

Beider Ohio.

July 22.09

My own darling Love!!

I am going to try to keep awake long enough this evening dear to get your letter written. Last night I felt so tired and sleepy after supper that I laid me down immediately after supper and fell fast asleep and didn't awaken until 8 o'clock. after that I was so stupid that I couldn't do anything but go to bed. Oh honey bun you are going to get the most awful sleepyhead you ever saw when you get me. I believe I am getting fat though. No wonder, I am getting such good board compared with what I have been getting

the last year or more. (Honest
dear, "this is the best place I have
ever struck". They honored me
on my birth day by having a
special dinner for me. Mrs.
Kungesser baked a cake and
had ice cream especially for me.
Now wasn't that dandy. Twice
of them. I wish I had as
good a boarding place in
Columbus while I am in school.
But I'll tell you again there's none
of them that will compare with
my boarding place after this year
when I'll have my own dear
wife to cook good things for me.

Dearie, I am fully as curious
for the time to come as you are
and I'll bet you more so, and don't
you dare to contradict me!

Your dear note come today
and still my dearie is growling
about not getting my letters. I'll
admit dear that I didnt write as
often last week as I have this
but honey love I was so awfully
tired in the evenings then that it
seemed the next thing to impossible
to settle down to write and when
my room was so fairly furnished
for writing and dearie while I
am here I am going to make up
for all past neglect. Not by loving
you ~~for~~ more (i.e. at a greater rate
of increase) but by writing more
often. I would have mailed
a card this morning but I
went just the P.O. before it was open
and if I had mailed one at noon

I "spect" it wouldn't have gone until
tomorrow any way.

Dearie there isn't much ^{general news} to
write about so I am going to finish
my letter by telling you something.
Something you have heard before
perhaps and something which you
are going to hear as long as I live
and so long as you live to hear
me say: I love you dear. Dear
heart I love you dearly with
all my heart and soul. You are
the world and all to me for you
are the best, dearest, sweetest and
most loving and tender girl in all
the world to live. Oh how I wish I
could be with you now and show
you how dear you really are to
me. I would dearly love you

to pieces and then I would
be you all over again and love
you back together again.

A year from now sweetheart
we will be with each other for
"keeps." We won't have to wait
6 or 8 days then before we can
get an answer to: "Do you love me?"
Will we dear?

Oh I forgot to ask, dear,
do you love me very very much?
Oh my, dear, but you are good to
me. I love every tiny speck of
you.

I see dear that you are getting
"the fever" pretty bad. I can't see
but what it is a very good investment
for there isn't any thing better to
invest money in than in real estate.

I only hope that will be able to
keep it until it is worth something.
You'll notice dear that I am saying "we"
already but I guess you don't care
do you dear? If you want
to put me to work on it next
summer pull soon get your \$1
an acre in for I'll charge you
a plenty for day for my time. I
am anxious to see it dear. ~~the~~ Do
there any tax to pay on it or is that
exempt.

Have you thought anything more
about the boarding place this winter
in Columbus? You mentioned something
some time ago about doing light
housekeeping. I don't think, dear,
that you'll have time for that and I
am afraid that you'll neglect your

cooking regular enough if you
so chat. You know dear, that I
would like for you to go to Miss
if you can possibly see fit to
so chat. Can't you take the car
out to the corner where we
turn over to mile in going from
High St to mile?

Dear, you certainly did fine
in your examination. You are to
be congratulated for your success.
I see I am getting a pretty "wise"
"old" girl for a wife.

Well honey love I believe I'll
close now and after reading a while
I'll retire. I am reading "Toilers
of the Sea" by V. Hugo. but I am
such a sleepy head that I don't
get much read until I am in

Dreamland.

Dont forget to love me dear
and dont forget that I love you
always with all my heart and
might and soul.

Good night darling.

I am forever and ever

your own loving
Harry.
