Yearbook of

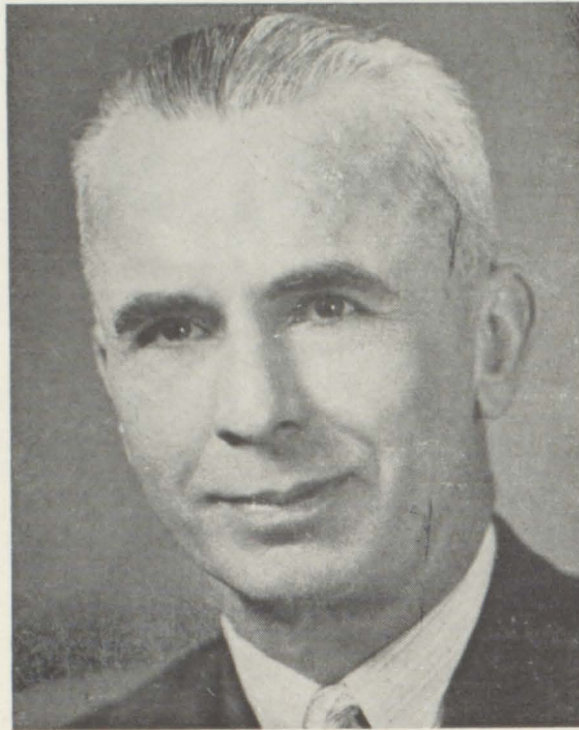

Garfield County High School

Glenwood Springs, Colorado

Volume XXVIII

Copy 1

Edited and printed entirely by the school as a student project.

Dedication

We, the Yampah staff of 1951, dedicate this book to Walter V. Sharp. In addition to his many duties as principal of G. C. H. S. , he serves as school photographer. Were it not for his generous help and hard work, this book would not be the success that it is.

In Memoriam

Eileen Thurston

A girl we knew for a short time, but one we will always remember.

Mabel Peterreins

Mabel Peterreins was a part of G.C.H.S. for twenty years. One of her many contributions to this school was the organization of the Mothers' Club, without which many of the functions of the school would not be possible. The students of G.C.H.S. will long profit from the hard work and loyalty of this teacher.

I Am You

I am more than a building: I am a tradition and a hope. I am built of young people. I am you... your everyday lives, your thoughts and deeds, sorrows and joys, your dreams and the realization of your dreams. Enrich your lives, and you will enrich me. I am your school.

High School Curriculum

There are three courses open to the student: the College Preparatory, the Commercial, and the General.

COLLEGE PREPARATORY COURSE

- First Year Subjects required: English I and Algebra I.
Electives: Latin I, Spanish I, Social Science, General Science.
- Second Year Subjects required: English II, Plane Geometry, World History.
Electives: Latin II, Spanish II, Biology.
- Third Year Subjects required: English III and American History.
Electives: Chemistry, Advanced Algebra, Solid Geometry, and Trigonometry.
- Fourth Year Subjects required: Sociology.
Electives: English IV, Physics, Chemistry, Advanced Algebra, Solid Geometry, and Trigonometry.

COMMERCIAL

The studies in the commercial department are for the purpose of preparing the students directly for the business world and not for college. Many students secure positions directly after leaving school as a result of this department.

Courses offered are Typing I and II, Shorthand I and II, and Bookkeeping Business English is available.

GENERAL COURSE

This course is a combination of the college preparatory and the commercial courses. Juniors and Seniors who choose this course may elect commercial studies such as typing and shorthand.

CLUBS

In an effort to widen the curriculum for each student, a number of clubs are offered. These clubs meet once a week during school time and are under the sponsorship of one of the teachers.

Future Homemakers of America,
Dramatic Club, Publicity Club,
Archery Club, Boys' Glee Club,
Athletic Club, and Study Club,
Science Club.

A GAVEL

President of the class was Jewel Hoeme; Vice-president, Jamie Baker; Treasurer, Shirley Verdieck; Secretary, Berta Lee Smith; Student Council President, Bill Colohan; Student Council Representative, Sherman Montover.

Mrs Cynthia Stapp acted as sponsor for the group.

AN AWARD

Sixteen Seniors lettered in football; five in basketball. Seven placed on the All-conference Football Team and two on the All-conference Basketball Team. Several members of the class received high ratings on both instrumental and vocal numbers in the Solo Contest, March 20. Four of the Sextette members were seniors.

Audre McGonegal led the student body as a cheerleader for her third year, and five Senior girls completed their fourth year as twirlers in the Band.

Both in Boys' and Girls' Interclass Basketball, the class placed first.

A PROGRAM

On December 1 the Senior Class successfully presented the three-act comedy-drama, "The Red Headed Step-Child".

In the annual operetta, "The Wishing Well", Margaret Nublitt and Norma Lee Barnes took two of the lead roles. Berta Lee Smith was co-accompanist for the fourth year.

A REPORT CARD

Scholastically, the class did well as a whole. Those Seniors whose names appeared consistently on the Honor Roll were Gordon Duffy, Shirley Verdieck, Berta Lee Smith, Marian Caster, Bernice Lewis, and Carol Mann.

A MEMORY

We remember four years of being the class of '51 : four years of working together, of learning together, and of having fun together .

We remember our Senior Trip, our Class Night, Baccalaureate, and Commencement.

Senior Poem

SAINTS ALIVE

by Carol Mann

I

"Hey! Where am I?
Who are you a sittin' there,
With your old and wrinkled features
And your cranium half bare?
Say, this must be Heaven!
And you are old St. Pete!
I'll just pull up this nice, soft cloud
And sit and rest my feet.

II

"I remember G. C. H. S
And the fun our class had there—
A cruisin' through its dusty halls
And jokin' on its stairs.
For four short years we worked and played
And learned along the way
'Bout how atoms are always buzzin' 'round—
And proper forms of *lay*.

III

"We worked together as a team—
Excuse me while I gloat—
But I never forgot the pride we had
For our first Homecoming float.
We had to work and cache away
For our senior trip that year.
We gave a play; 'twas quite a hit.
For my class I'll give a cheer!

IV

"I bet in all your centuries
You never knew defeat,
Or worked on decorations--
Or basked in victory sweet;
Had the fun of wrapping goal posts,
Giving a dinner and a dance,
Carrying tons of books as Freshmen--
Fearing an upperclassman's glance.
I think that even you'd
Have gotten quite a thrill
The year we were the Valley Champs
And gave those teams a spill.

V

"I guess this all seems silly
To one of noble place.
You prob'ly think we humans
Are a most peculiar race.
But even for your greatness
I wouldn't trade a day
Of the time I spent in high school
And the fun along the way.
Well, I guess I'd best pick up my wings.
Gosh, but it sure was fun
A-sittin' here a-jawin'
'Bout the Class of '51."

Motto

"We will find a way or make one."

SENIOR STARS

Senior Stars

Five senior boys and five senior girls who were outstanding in all school activities were chosen as the Senior Stars. This year the Senior Stars were chosen on six different phases of school life: number of activities, special abilities (music, athletics, drama, student government), scholarship, dependability, co-operation (with faculty and students), disposition (friendliness, control, stability) The faculty graded their choices on these phases, giving them points for each one, with five points being the highest score and one point the lowest. The highest-scoring Seniors became the Senior Stars.

Gordon Duffy

Berta Lee Smith

Audre McGonegal

Bill Colohan

Jewel Hoeme

Bill Bolitho

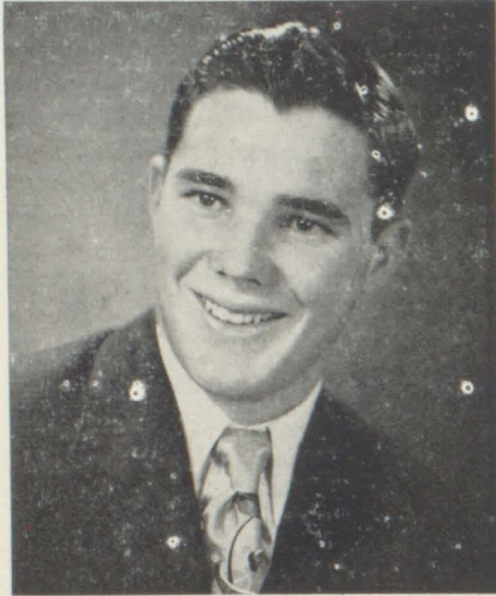

Sherman Montover

Carol Mann

Jamie Baker

Margaret Noblitt

Senior Stars

If G.C.H.S. had popularity contests among the Seniors, Gordon Duffy would undoubtedly have been selected as "the boy most likely to succeed." Shy but determined, he has chosen geology as his career. Gordon has shone most scholastically, but he has also had time for other activities. He played football his sophomore and senior years and took part in interclass sports as well. A member of several different clubs during his high school days, Gordon was at one time the president of the Archaeology Club. He was also chosen as a delegate to Boys' State, which is quite an honor for Juniors. Admired and liked by both students and faculty, Gordon Duffy is sure to attain the goal he has set for himself.

Surely all the good fairies must have been present with their gifts when Berta Lee Smith was born, for this lovely young lady has more than her share of charm and talent. A musician, she served as accompanist for the Glee Club, a member of the High School Band, and a twirler, all four years. In dramatics Berta Lee was outstanding, having taken the lead in the senior play and in clever skits put on by the Dramatic Club. Her artistic talent was evident in the fine art work she did for the *Yampah* and in posters to advertise various school activities. Berta took on a big job when she became co-editor of this issue of the *Yampah*.

This versatile Senior also held many class and club offices. She was class secretary, Canteen secretary and president of the Glee Club. Moreover, Berta made an enviable scholastic record, having been an honor student four years. Sweet and unaffected, Berta Lee has a host of friends who wish her a life as full and well-rounded as her high school days were.

Senior Stars

To make everyone around her happy must be Audre McGonegal's aim in life. for this lively Irish Lass certainly does just that. As cheerleader at G.C.H.S. for three years, Audre became known and liked not only by our students but by those from out of town as well. Whenever there was work to be done concerning Pep Club or any other organization to which she belonged, one could always find Audre doing her best to help. This energetic Senior was a member of the Girls' Sextet and was a band member, too. Because of her interest in drama, Audre was an active member of the Dramatic Club as well as a member of the casts of both the Junior and Senior class plays. Audre, a ski enthusiast, took part in ski races here and in Rifle and was a member of the Glenwood Ski Club. She was chosen Homecoming Queen for the first G.C.H.S. Homecoming. Wherever she goes in the future, Audre's gaiety and charm will always bring happiness to those about her.

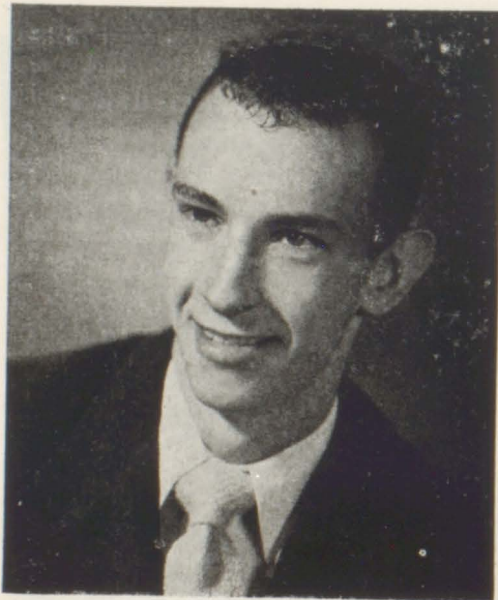

Blessed with a magnetic personality as well as athletic ability, Bill Colohan might well be envied for the record he has left G. C. H. S. Bill has lettered four years in basketball and three years in football. As co-captain of the football team and captain of the basketball squad this year, he worked to maintain Glenwood's high rank in sports and sportsmanship. Although Bill was best known on the football field and on the basketball floor, he has also been outstanding in student government. As proof of this, Bill was elected Student Council President his senior year. Partly because of his interest in sports but mostly because of his writing ability, Bill was sports writer for the *Yampah* and for *We the Student* for two years. The ability and determination that have characterized his high school days should carry Bill Colohan to success in future years.

Senior Stars

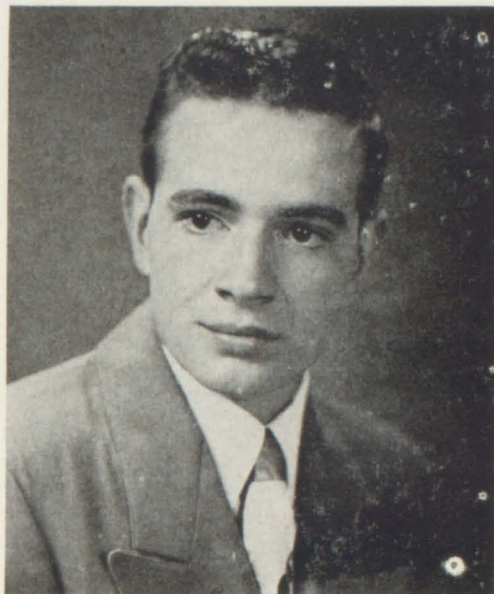

This Senior girl is one of our brightest stars. Gracious and poised, Jewel Hoeme has been a leader in almost every school activity. Especially outstanding in student government, Jewel held many class and club offices, not the least of these being her job as president of the senior class and as chairman of the Canteen Committee. She has also been interested in dramatics, having been a member of Dramatic Club and a member of the casts of both the Junior and Senior Class plays. Jewel was also a Band and Glee Club member and a twirler for three years. She was a delegate to Girls' State. She was elected Junior Prom Queen and was a candidate for Snow Queen her Senior year. Surely, in the coming years, Jewel Hoeme will never be faced with a problem which she cannot meet with her usual serenity and capability.

Cheerful and easy going Bill Bolitho is noted for his dry sense of humor. To know Bill, one must know sports, for football and basketball are the chief interests in his life. A three-letter man in both football and basketball, he plans to become a coach after he finishes his schooling. Although Bill is sports-minded, he still has an interest in other activities. He was treasurer of his class for two years, and Vice-president for one. He was also Vice-president of the Boys' Glee Club, another of his many interests. A member of the Boy's sextet, Bill was on the music team his Senior year. In the drama department, he was part of the cast of the Junior class play. His keen wit and carefree attitude have made Bill Bolitho a favorite at Garfield County High School.

Senior Stars

Quiet but not shy, Sherman Montover is a friend to everyone. As an active member of the Student Council, Sherman worked for the interests of the school, and was one of those who were heartily in favor of a social hour. In football, he was a steady player and he lettered two years. Sherman also took part in both Interclass and Junior League basketball every year while in high school. As a member of several different clubs, he showed his interest in various fields. Although Sherman was kept busy by outside activities, he still had time for school work, and kept his average high. Sherman's ability to make friends and his responsible nature will make it easy for him to make a place for himself in coming years.

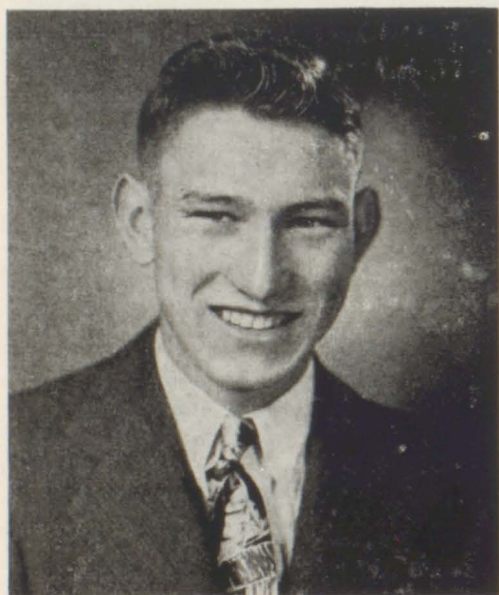

In her four years at G. C. H. S., demure Carol Mann has easily won the right to be a Senior Star. Perhaps best-known for her interesting write ups in *We, the Students* and for her fine work on the *Yampah*, Carol has been a member of Publicity Club all four years. A member of the *Yampah* staff for the same length of time, she was co-editor of the issue printed last year. Carol was also a delegate to Girls State her Junior year. Interested not only in writing, she was a member of the Band and the Glee Club and also played in the Dance Band two years. In student government, Carol was the Freshman Representative and Treasurer of the Glee Club her Sophomore year. Through four years of high school, Carol has maintained an exceptionally high scholastic record as well as participating in various activities. In the years to come, Carol Mann will surely shine as she has at G. C. H. S.

Senior Stars

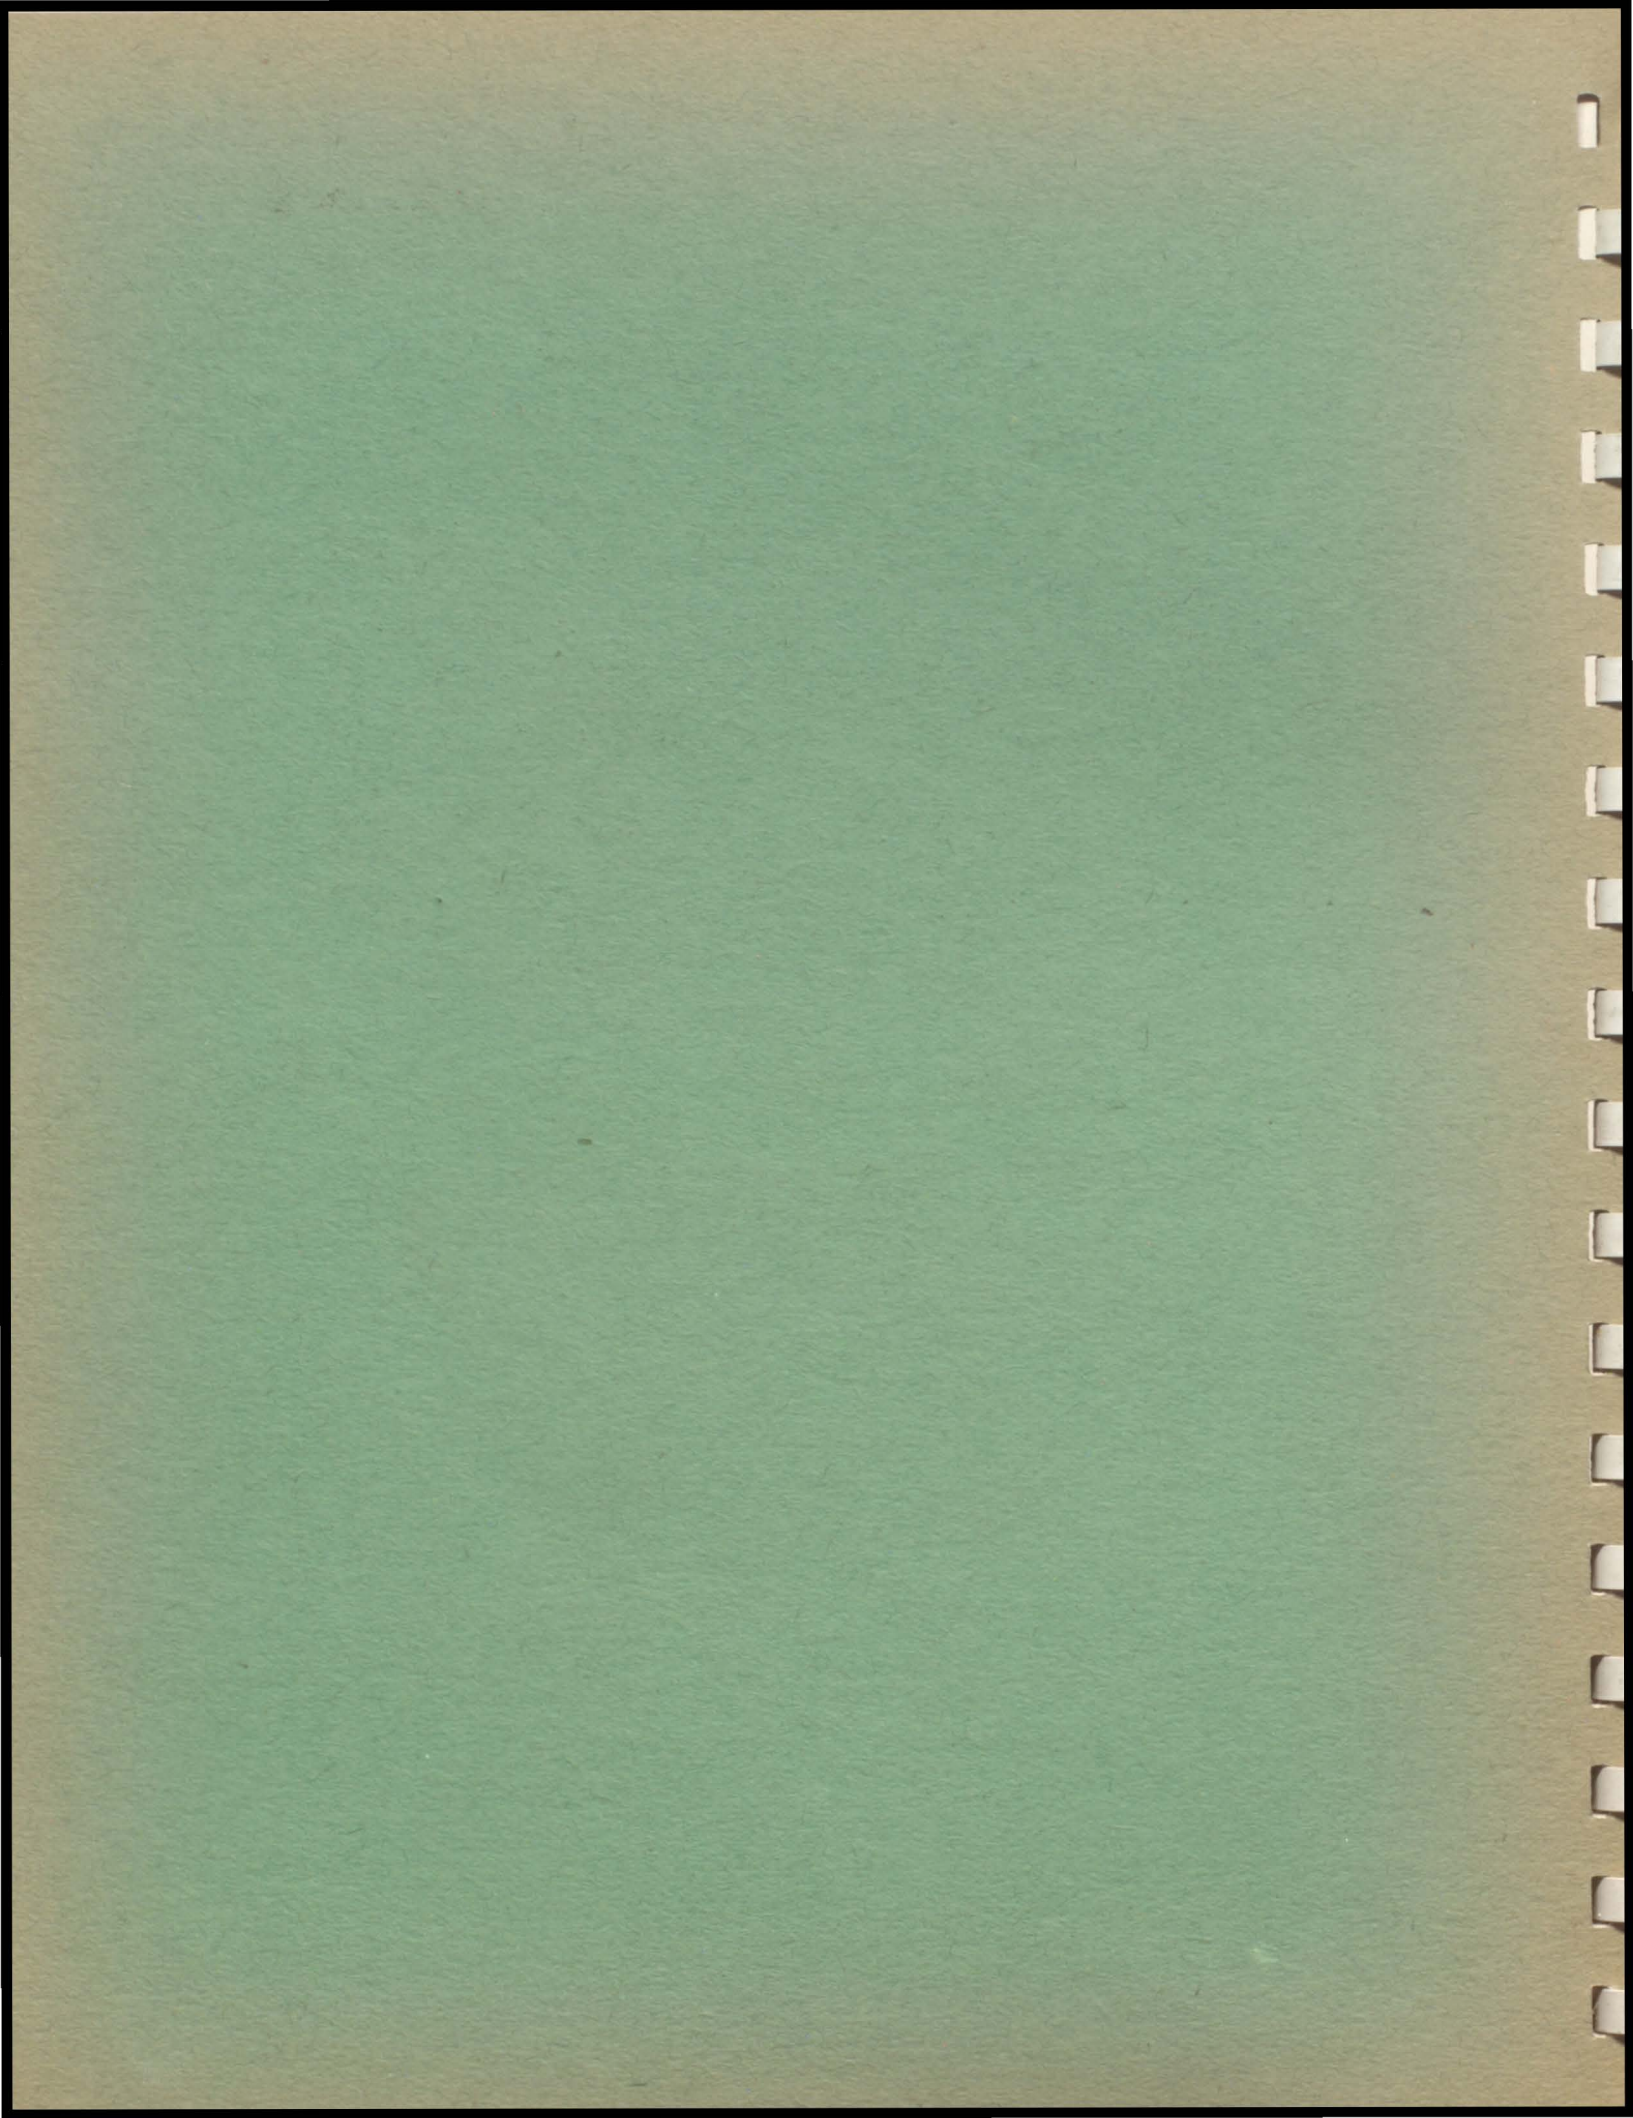

This gay and friendly girl is one of the best-liked Seniors at G.C.H.S. Her happy disposition has endeared her to students and teachers alike. Margaret Noblitt, particularly outstanding in the field of music, was a member of both Band and Glee Club for four years. Because of her sweet soprano voice, Margaret had leading parts in three operettas, was a member of the Sextet and Music Team three years, and of the Trio for two years. Together with four other girls, Margaret was a twirler for the band since her Freshman year. She was an active member of Publicity Club, having been on the *Yampah* staff three years; she served as co-editor of this issue of the yearbook. Also dramatically inclined, Margaret appeared in the Senior class play. Wherever she goes, Margaret's sweet, friendly manner will win her a host of friends.

Few students have more friends than this Senior Star with his ready smile and cheerful manner. And why not? Jamie Baker is a friend to everyone. The students who know him best see, too, the serious side of his nature. They cannot help being aware of his concern for the rights of others. Jamie is an athlete, too. He has lettered two years in football and three in basketball. Not only has he represented the school in sports, but has represented his class in Interclass sports for three years. Jamie was vice-president of his class for three years and secretary of the Boys' Glee Club his Junior year. Jamie went to Boys' State his Junior year. If more of us had Jamie's democratic ideals, the world would be a better place in which to live.

Junior Jottings

In the fall---

The Junior class successfully sponsored a canteen after the Glenwood-Rifle game.

For Homecoming they developed their ideas into a float entitled "Champs".

They achieved recognition -

Students elected to offices of the Student Council were Dave Brown, Rep., and Kenneth Hubbard, as Vice-President.

Nadra Benedeck was cheerleader for her second consecutive year. Dona Lough was elected as one of the twirlers for next year.

Kenneth Hubbard, Betty McClure, and Norman Ross consistently made the honor roll throughout the year.

In the athletic field---

Six out of eight Junior boys who went out for football made letters: Norman Ross, Dave Brown, Dick Marx, Kenneth Hubbard, Harvey Gardner, and Victor Rosa. Bill Cook and Frank Arbaney also went out. Ross again lettered in basketball along with Jimmy Nutting and Dave Brown.

The entire class took a great interest in the interclass sports making a good showing in every event in which they participated.

From the enthusiastic Junior skiers, top honors were taken in the races held in Glenwood by Harvey Gardner, La Beth Summers, Nadra Benedeck, and Dona Ruth Lough.

In the music field---

Billie Rogers, alto, and Nadra Benedeck singing second, completed the Girls' Sextette. Kenneth Hubbard and Strat Saunders sang in the Boys' Sextette as tenors.

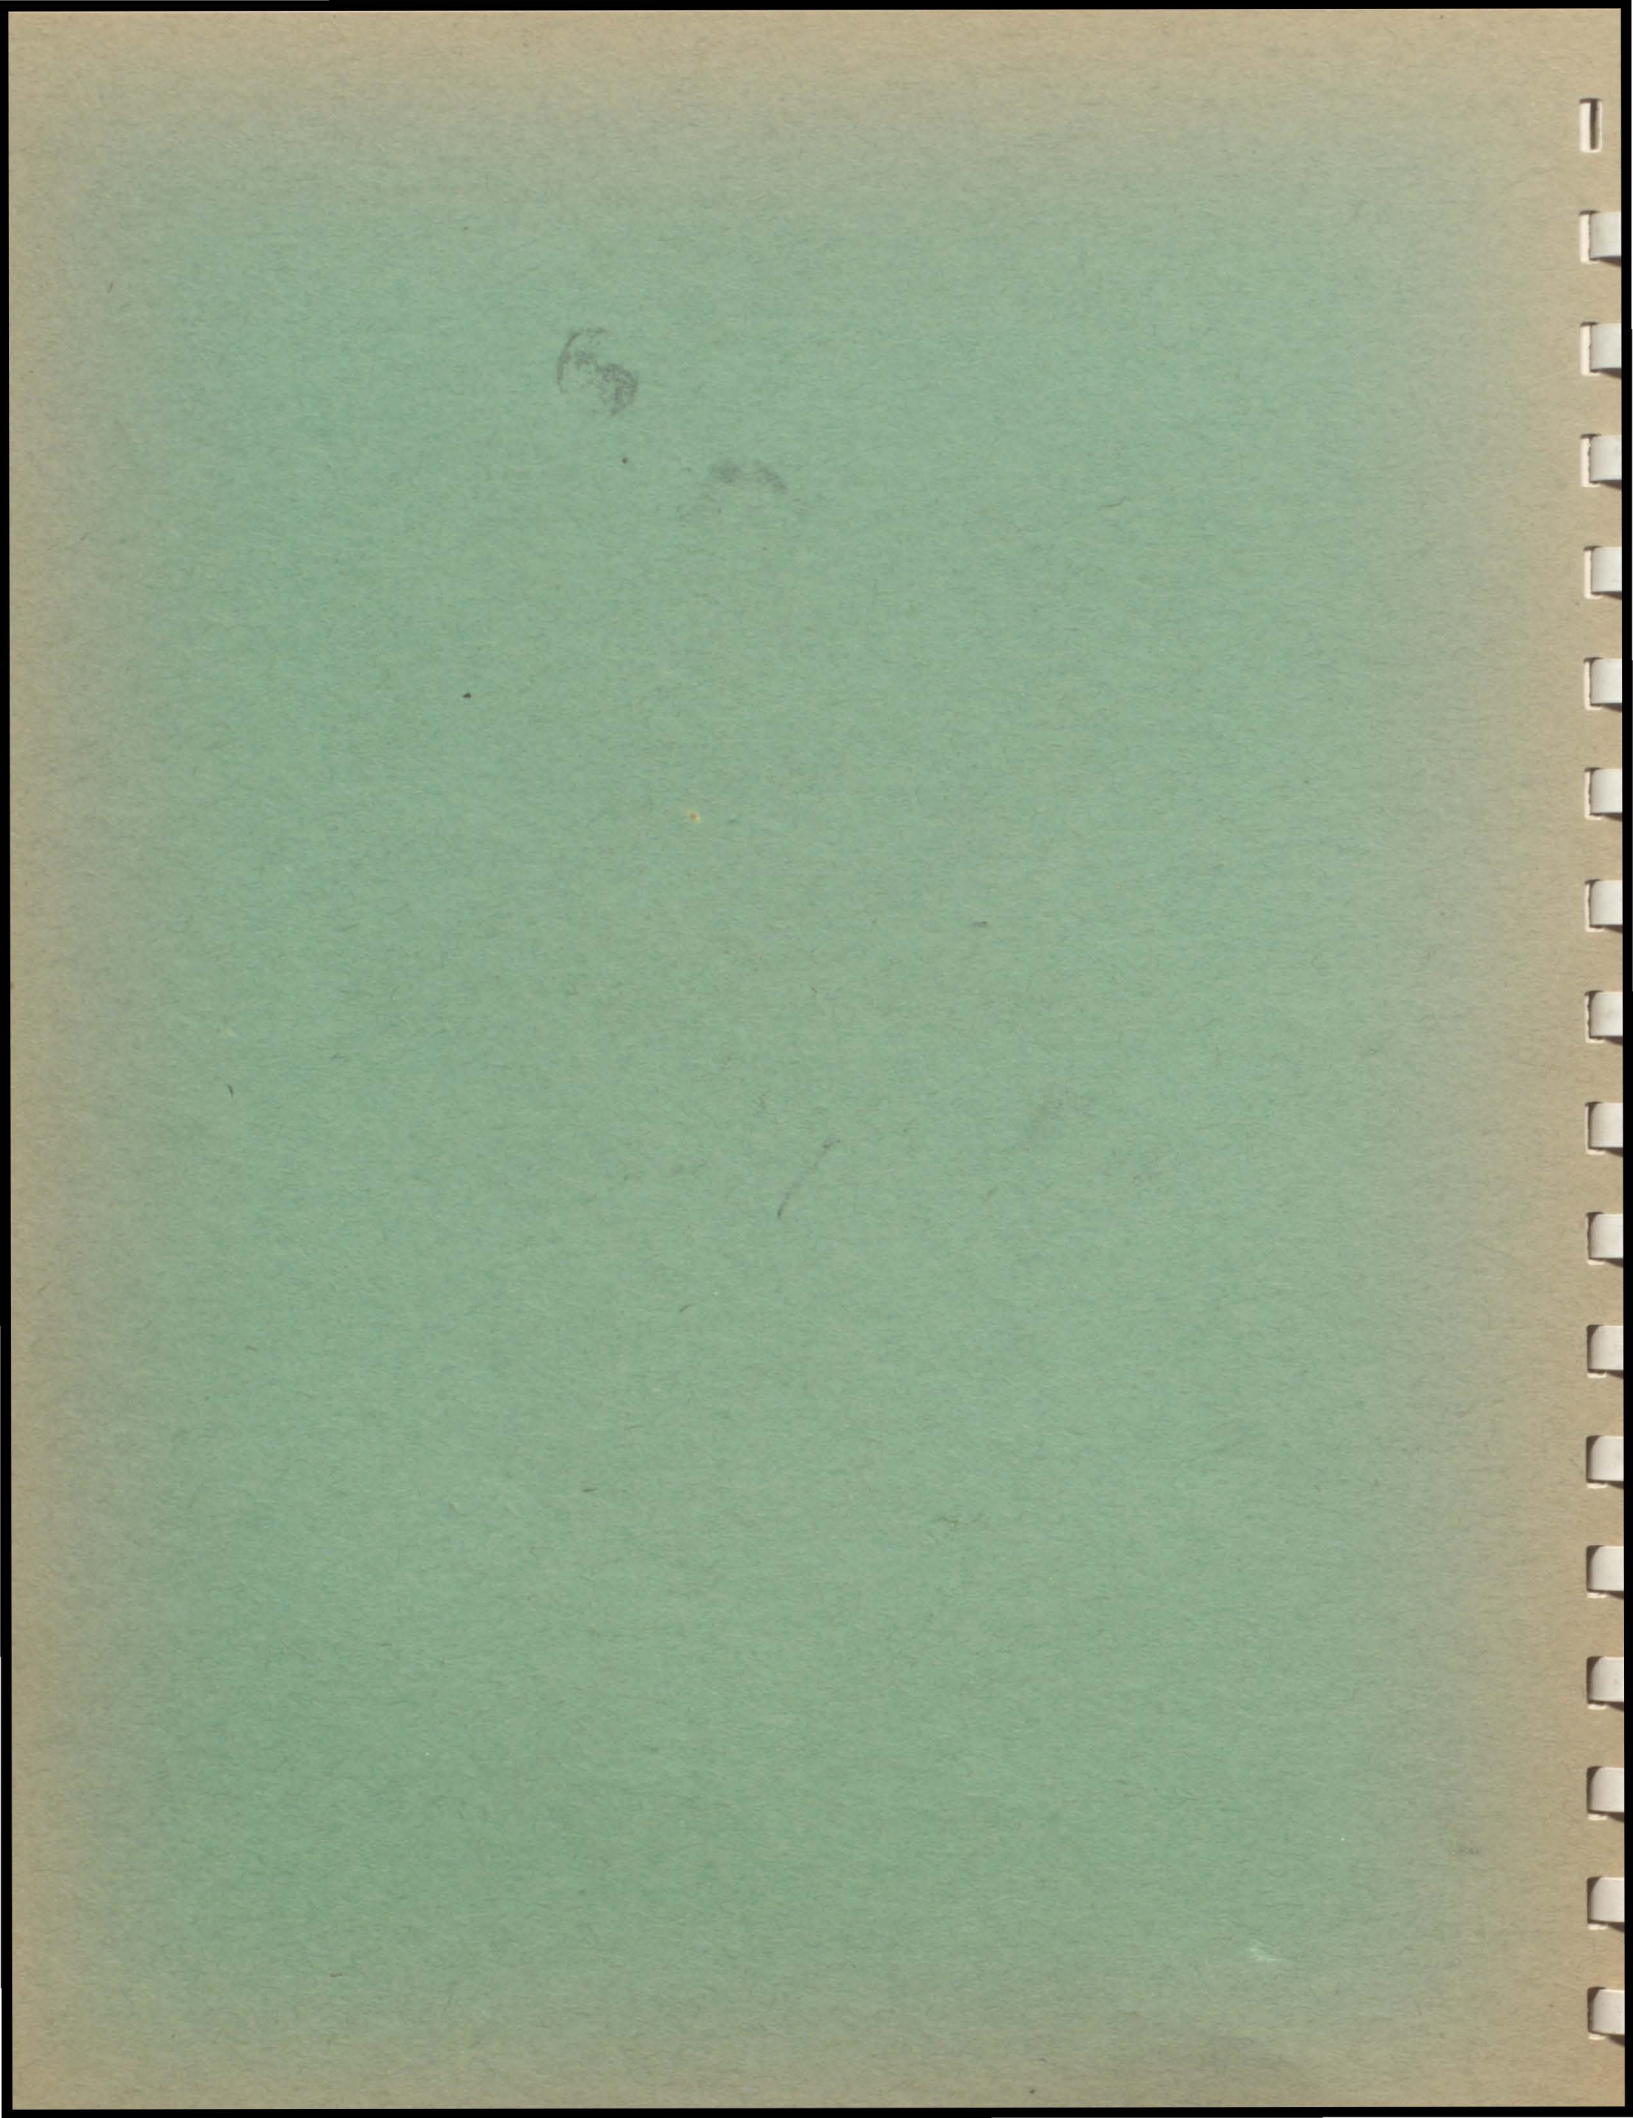

In the operetta, "The Wishing Well," Kenneth Hubbard, Strat Saunders and Nadra Benedeck all had leading parts. Several girls from this class helped to make up the chorus.

In drama---

The Juniors put on their annual class play, "Our Girls", on April, 1951. Before the Junior-Senior Prom, given May 18, they held a banquet in honor of the Seniors.

Sophomore Story

The Sophomore story began auspiciously with a victory over the Freshmen in the Frosh-Soph struggle. The Class of '53 was to go on to other victories.

Sophomores shone brightly in the musical field, with Eleanor Graves, Jackie Busby Melvin Britton, and Bill Coleman receiving top honors in the spring solo contest. Eleanor Graves held one of the leading roles in the school operetta. Bill Coleman was chosen as a member of the Boys' Sextette.

In sports the Sophomores did well. John Turner, Ted Shelton, Bert Brown, Jim Fish, and Robert Kuretich won letters and laurels on the football squad. Ronald Simillion, Ted Shelton, Robert Kuretich, and Allan kept the Sophomore section cheering during the '50-'51 basketball season. Ronald Simillion and Allan won their letters in basketball.

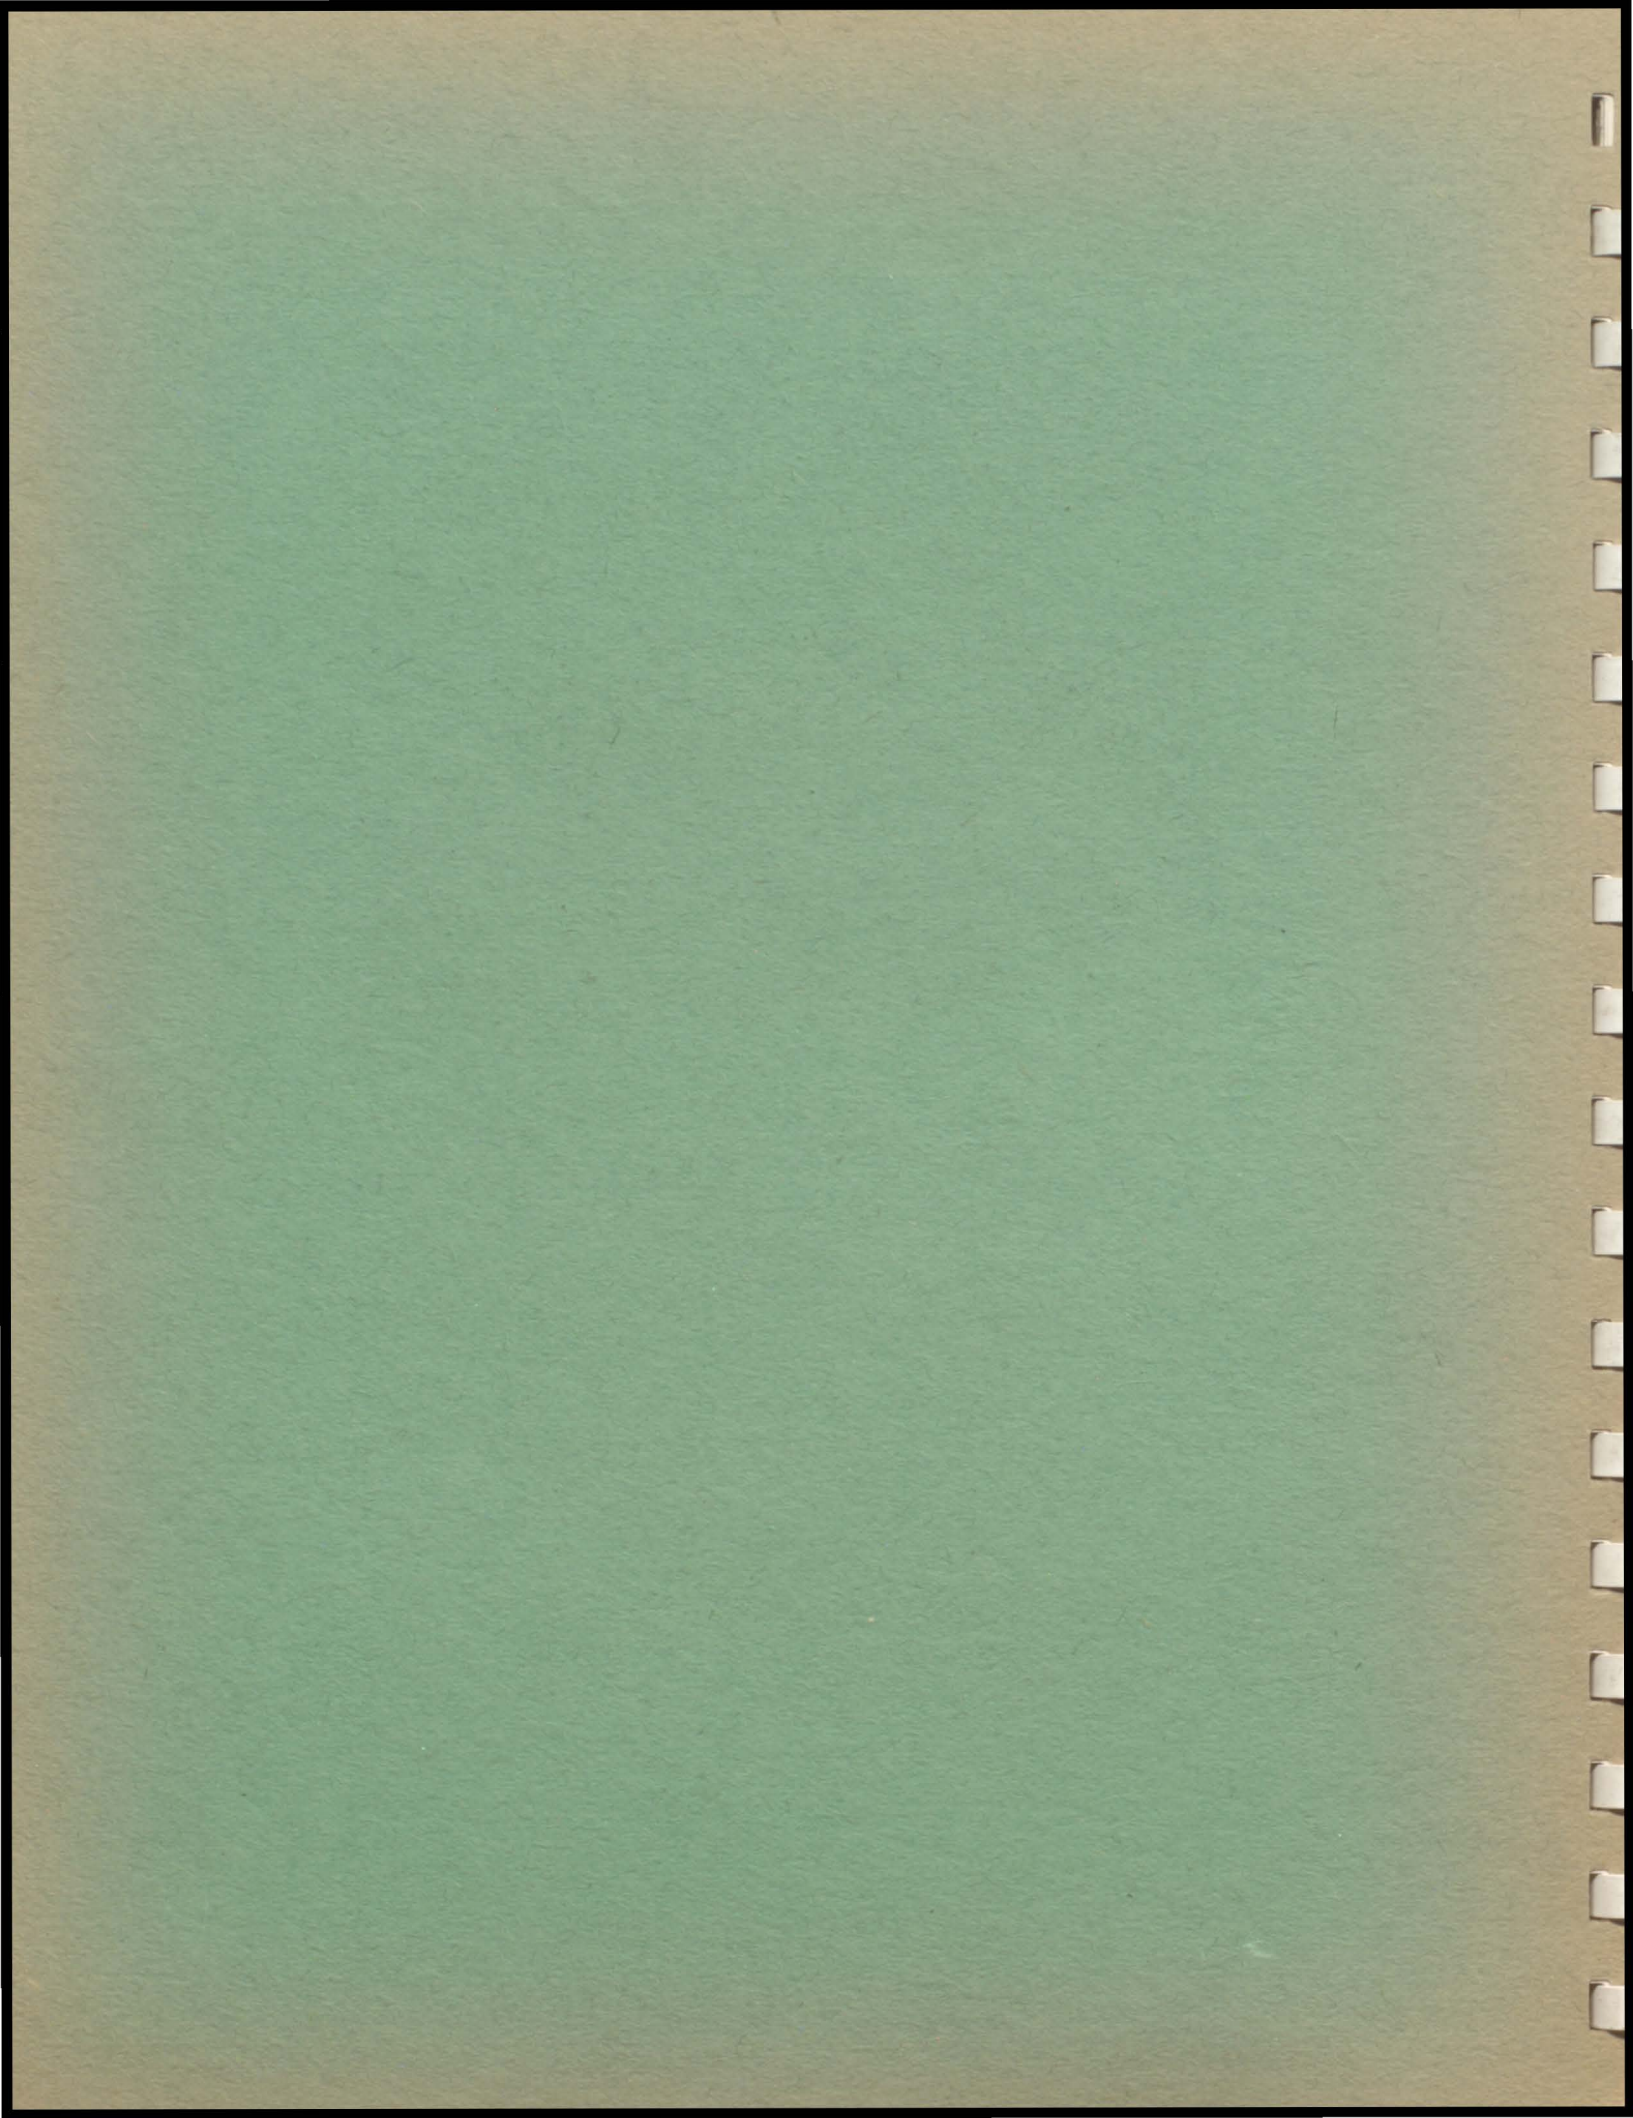

Scholastically, the top scorers for the Sophomores were Eleanor Graves, Gwenda Jones, Julia Meredith, and Melvin Britton, these being the ones whose names consistently adorned the Honor Roll. Billie Andersen and Sally Colohan served on the Student Council. Other members of the class contributed in ways too numerous to mention in carrying on the activities of G. C. H. S.

Nor was the social side of school life neglected by the Sophomores. After the victorious Glenwood-Paonia football game, the class entertained the school with a brief skit at a canteen sponsored by their class. They presented a burlesque sequence, "The Rugged Ole' West," before students and faculty in which all the class participated. They worked lustily through Homecoming week on a float for Homecoming parade, a float designed on the motif of a series of steps decorated in the red and white of G. C. H. S., each step representing a football victory and the whole topped with a large football symbolizing the matchless Demon team. Sally Colohan was chosen Sophomore queen; Joan Hubbard and Shirley Baker, her attendants.

So the story temporarily stopped in May...until the Junior part begins next year. All are eagerly looking forward to the unfolding of that next chapter of the story.

Freshman Footsteps

The first steps

The Freshmen started out by yielding good naturedly to the upperclassmen's commands to shine shoes and carry books.

The Freshmen presented a fashion show in which the boys were charming ladies and the pajama-clad girls looked as if they had just arisen from a night of troubled dreams.

The class struggled valiantly to win the Freshman-Sophomore struggle, but lost by a few points.

The next steps . . .

On Homecoming the Frosh worked diligently on a float which was awarded first place. The clever float showed a caged Pæonia Eagle guarded by a Demon.

The annual Christmas play given for the assembly by the Freshmen was planned by a committee of volunteers. Mr. and Mrs. Santa Claus were portrayed by Ronald O'Neill and Nancy Mann; Franklin Dailey and Donald Ford were Santa's elves. The entire class took part in this program.

Footsteps to fame

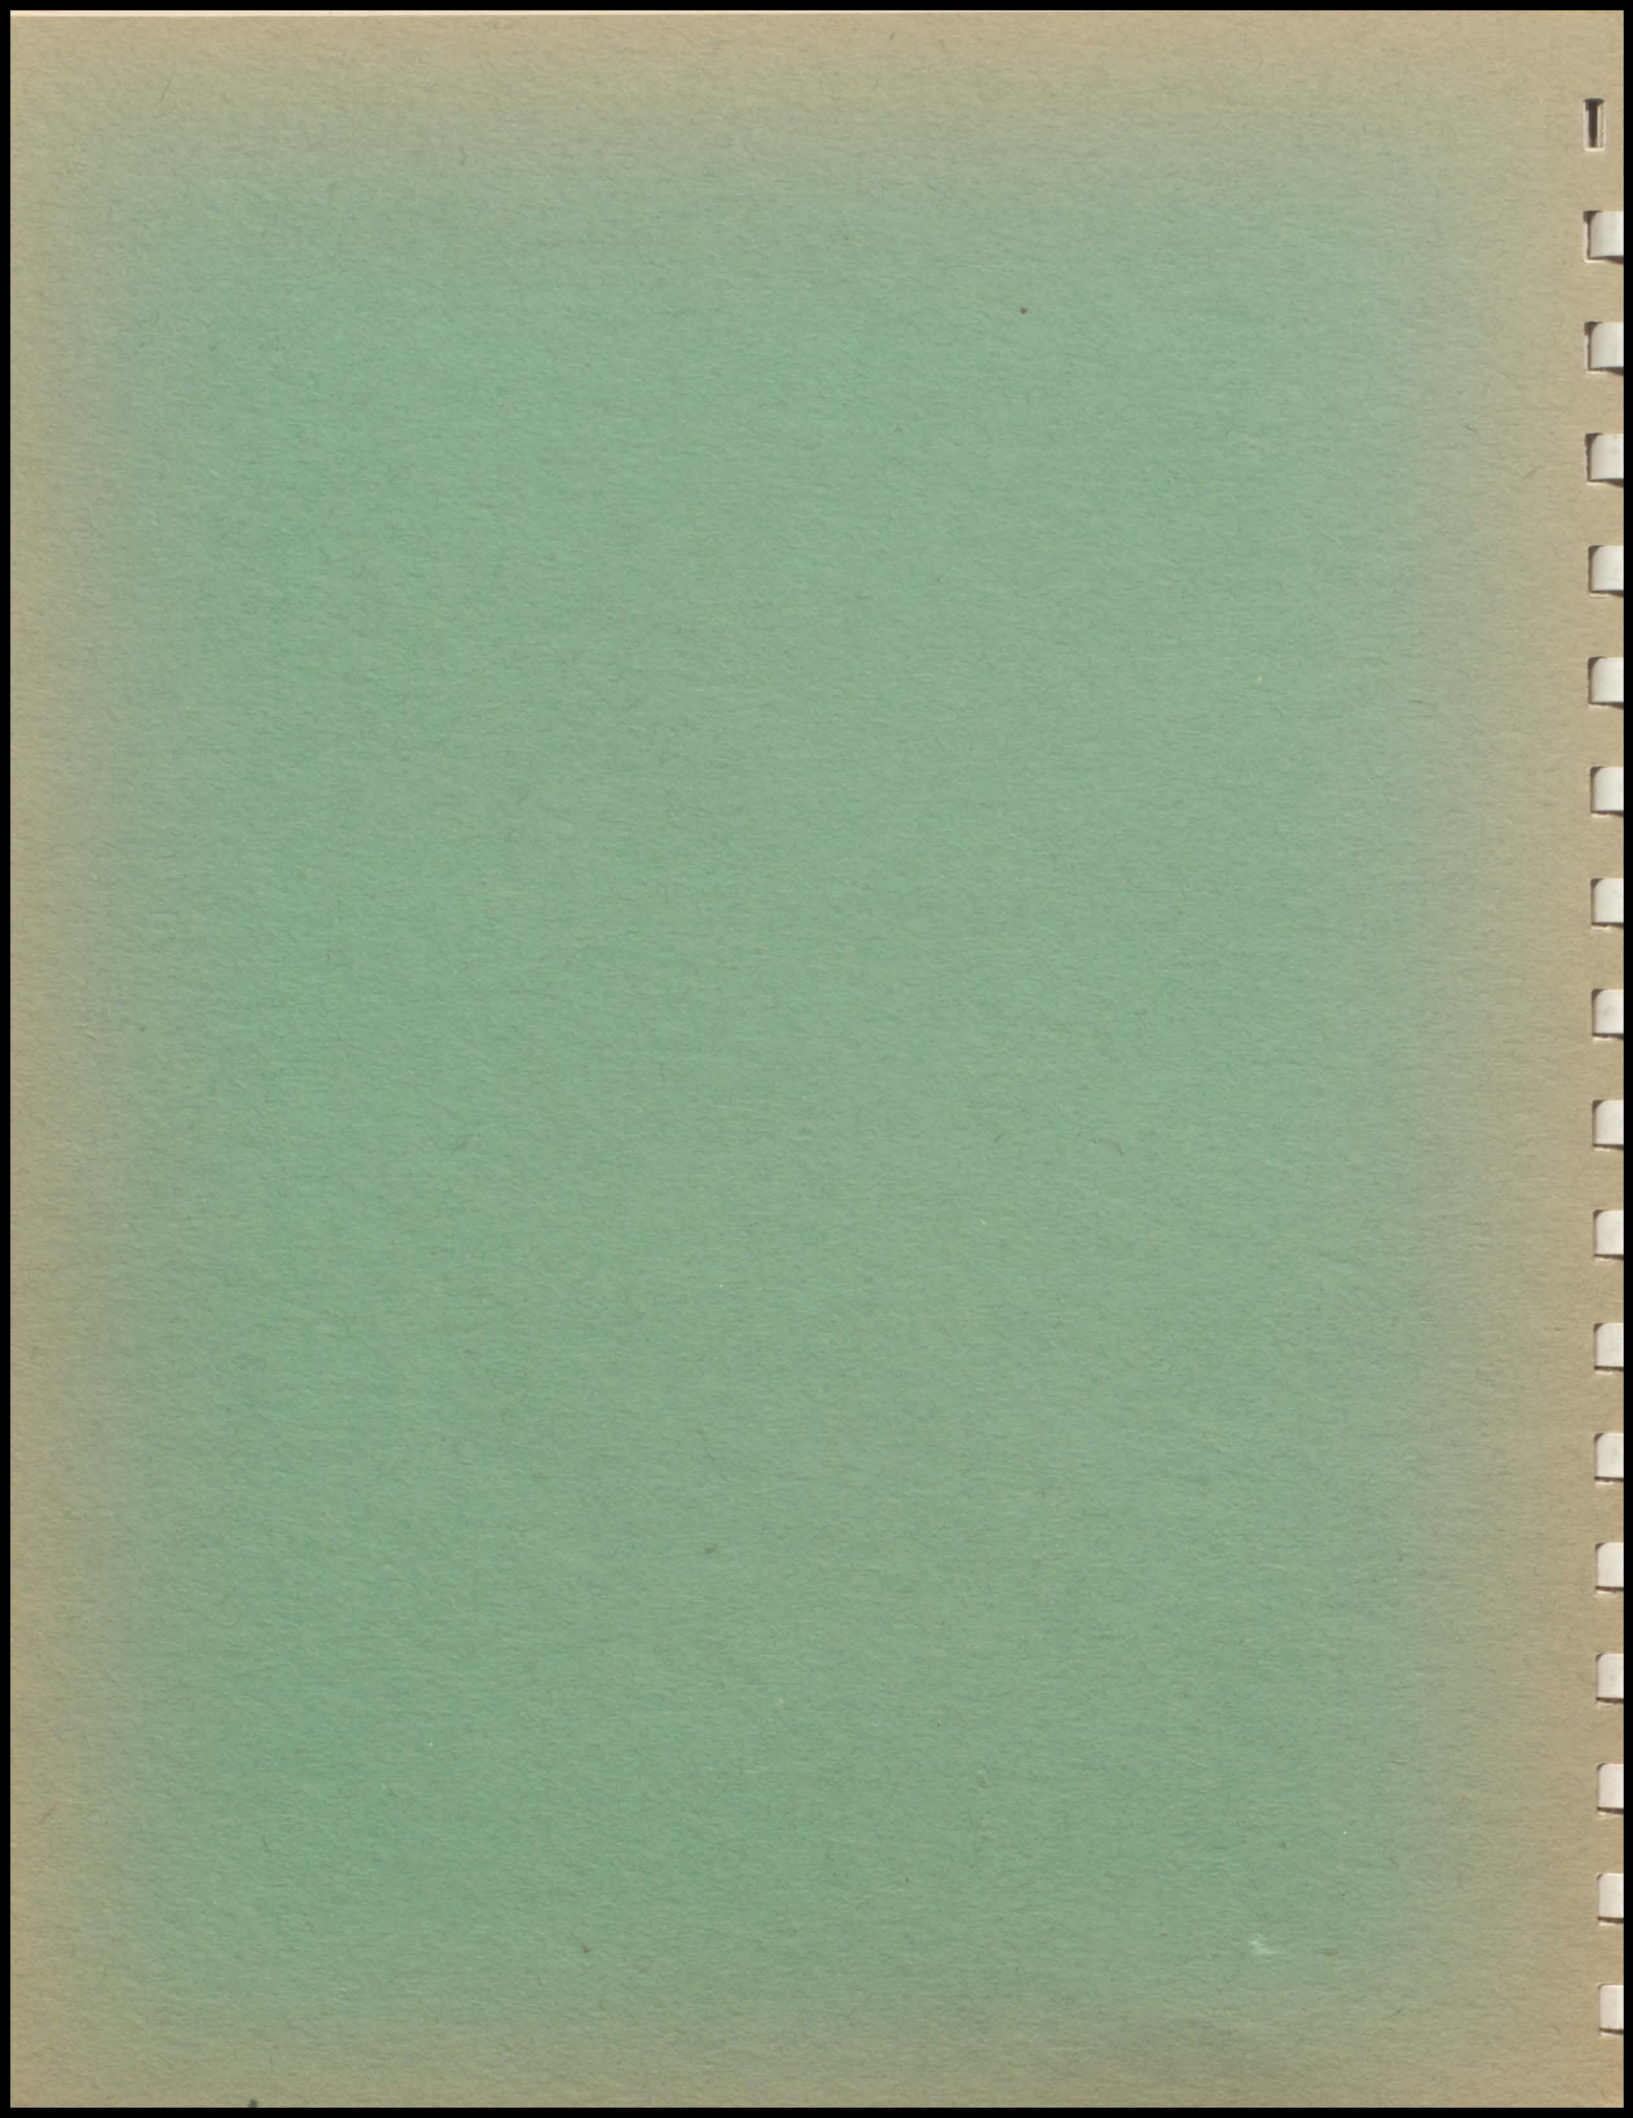

On the Student Council, Beverly Ryan, Freshman Representative, and Lloyd Caster, Student Council Treasurer, represented the Freshman Class. Charley Ross, Lloyd Caster, and James Fish went out for football; Charley Ross earned a letter. In basketball Charley Ross and Elmer Arbaney were the Freshman players.

Jon Gill was honored by being chosen cheerleader. He has been loyal to the school and the Freshmen are proud and honored that they had a cheerleader to represent their class.

In musical talent the Frosh were outstanding. There were seven Freshman girls and ten boys in the Band and fifteen girls in Glee Club. At the solo contest James Nielsen and Jackson Clemons received high ratings of one.

KING AND QUEEN

Valedictorian for 1950

Bringing top honors to her class with an average of 93.15, Edna Koenig was selected as Valedictorian.

Edna succeeded in maintaining a honor roll average all four years of high school. She also belonged to the Scholastic Team for four years.

As described by her teachers and class mates, Edna was a hard working and conscientious student. She did much toward making her school a finer place.

Certainly Edna well deserved the honor bestowed upon her.

Salutatorian for 1950

In the ranks of honor Thomas Igo took his place as salutatorian of the 1950 Senior class.

Only through hard work did Tommy attain this goal. He maintained a consistent honor roll average all four years of high school with a final average of 90.88 when he graduated. Besides entering into the activities of G. C. H. S, he was a member of the Scholastic Team for four years and selected as a member of the National Honor Society.

He won a scholarship to Harvard University.

Rogers Simillion Colohan McGonegal

Homecoming Queen

From the four pretty misses chosen to represent their respective classes in the competition for 1950 Homecoming Queen Miss Audre McGonegal, was crowned Queen. The other three girls served as her attendants.

J. Baker J. Hoeme B. Shelton S. Verdieck B. Smith B. Bolitho

Snow King and Queen

These three Senior girls and Senior boys were nominated by their class as candidates for Snow King and Queen. From these Shirley Verdieck and Bob Shelton were elected by the Student Body as Snow King and Queen. They reigned over the Christmas Formal December 23.

M. Mulkey M. Noblirt B. Smith D. Harris N. Barnes M. Flynn

Twirlers and Drum Major

Throughout the year, the twirlers and drum major put on many colorful skirts. The drum major has the responsibility of leading the band in parades while the five majorettes add sparkle and snap to the marches.

George Jump

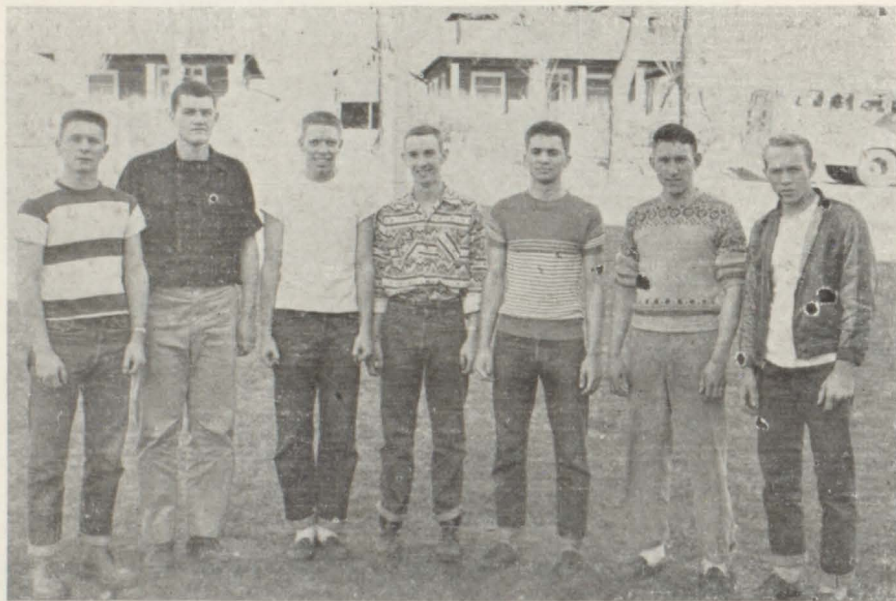

Jewel Hoeme

1950 Prom Queen and King

Music Team

The Music Team is made up of those musically talented students who take part in the annual spring Solo Contest. In the 1951 contest, seventeen out of twenty G. C. H. S. entries received ratings of one.

D. Patch, R. Graves, B. Co'ohan, B. Bolitho, N. Ross, J Baker, G. Jump

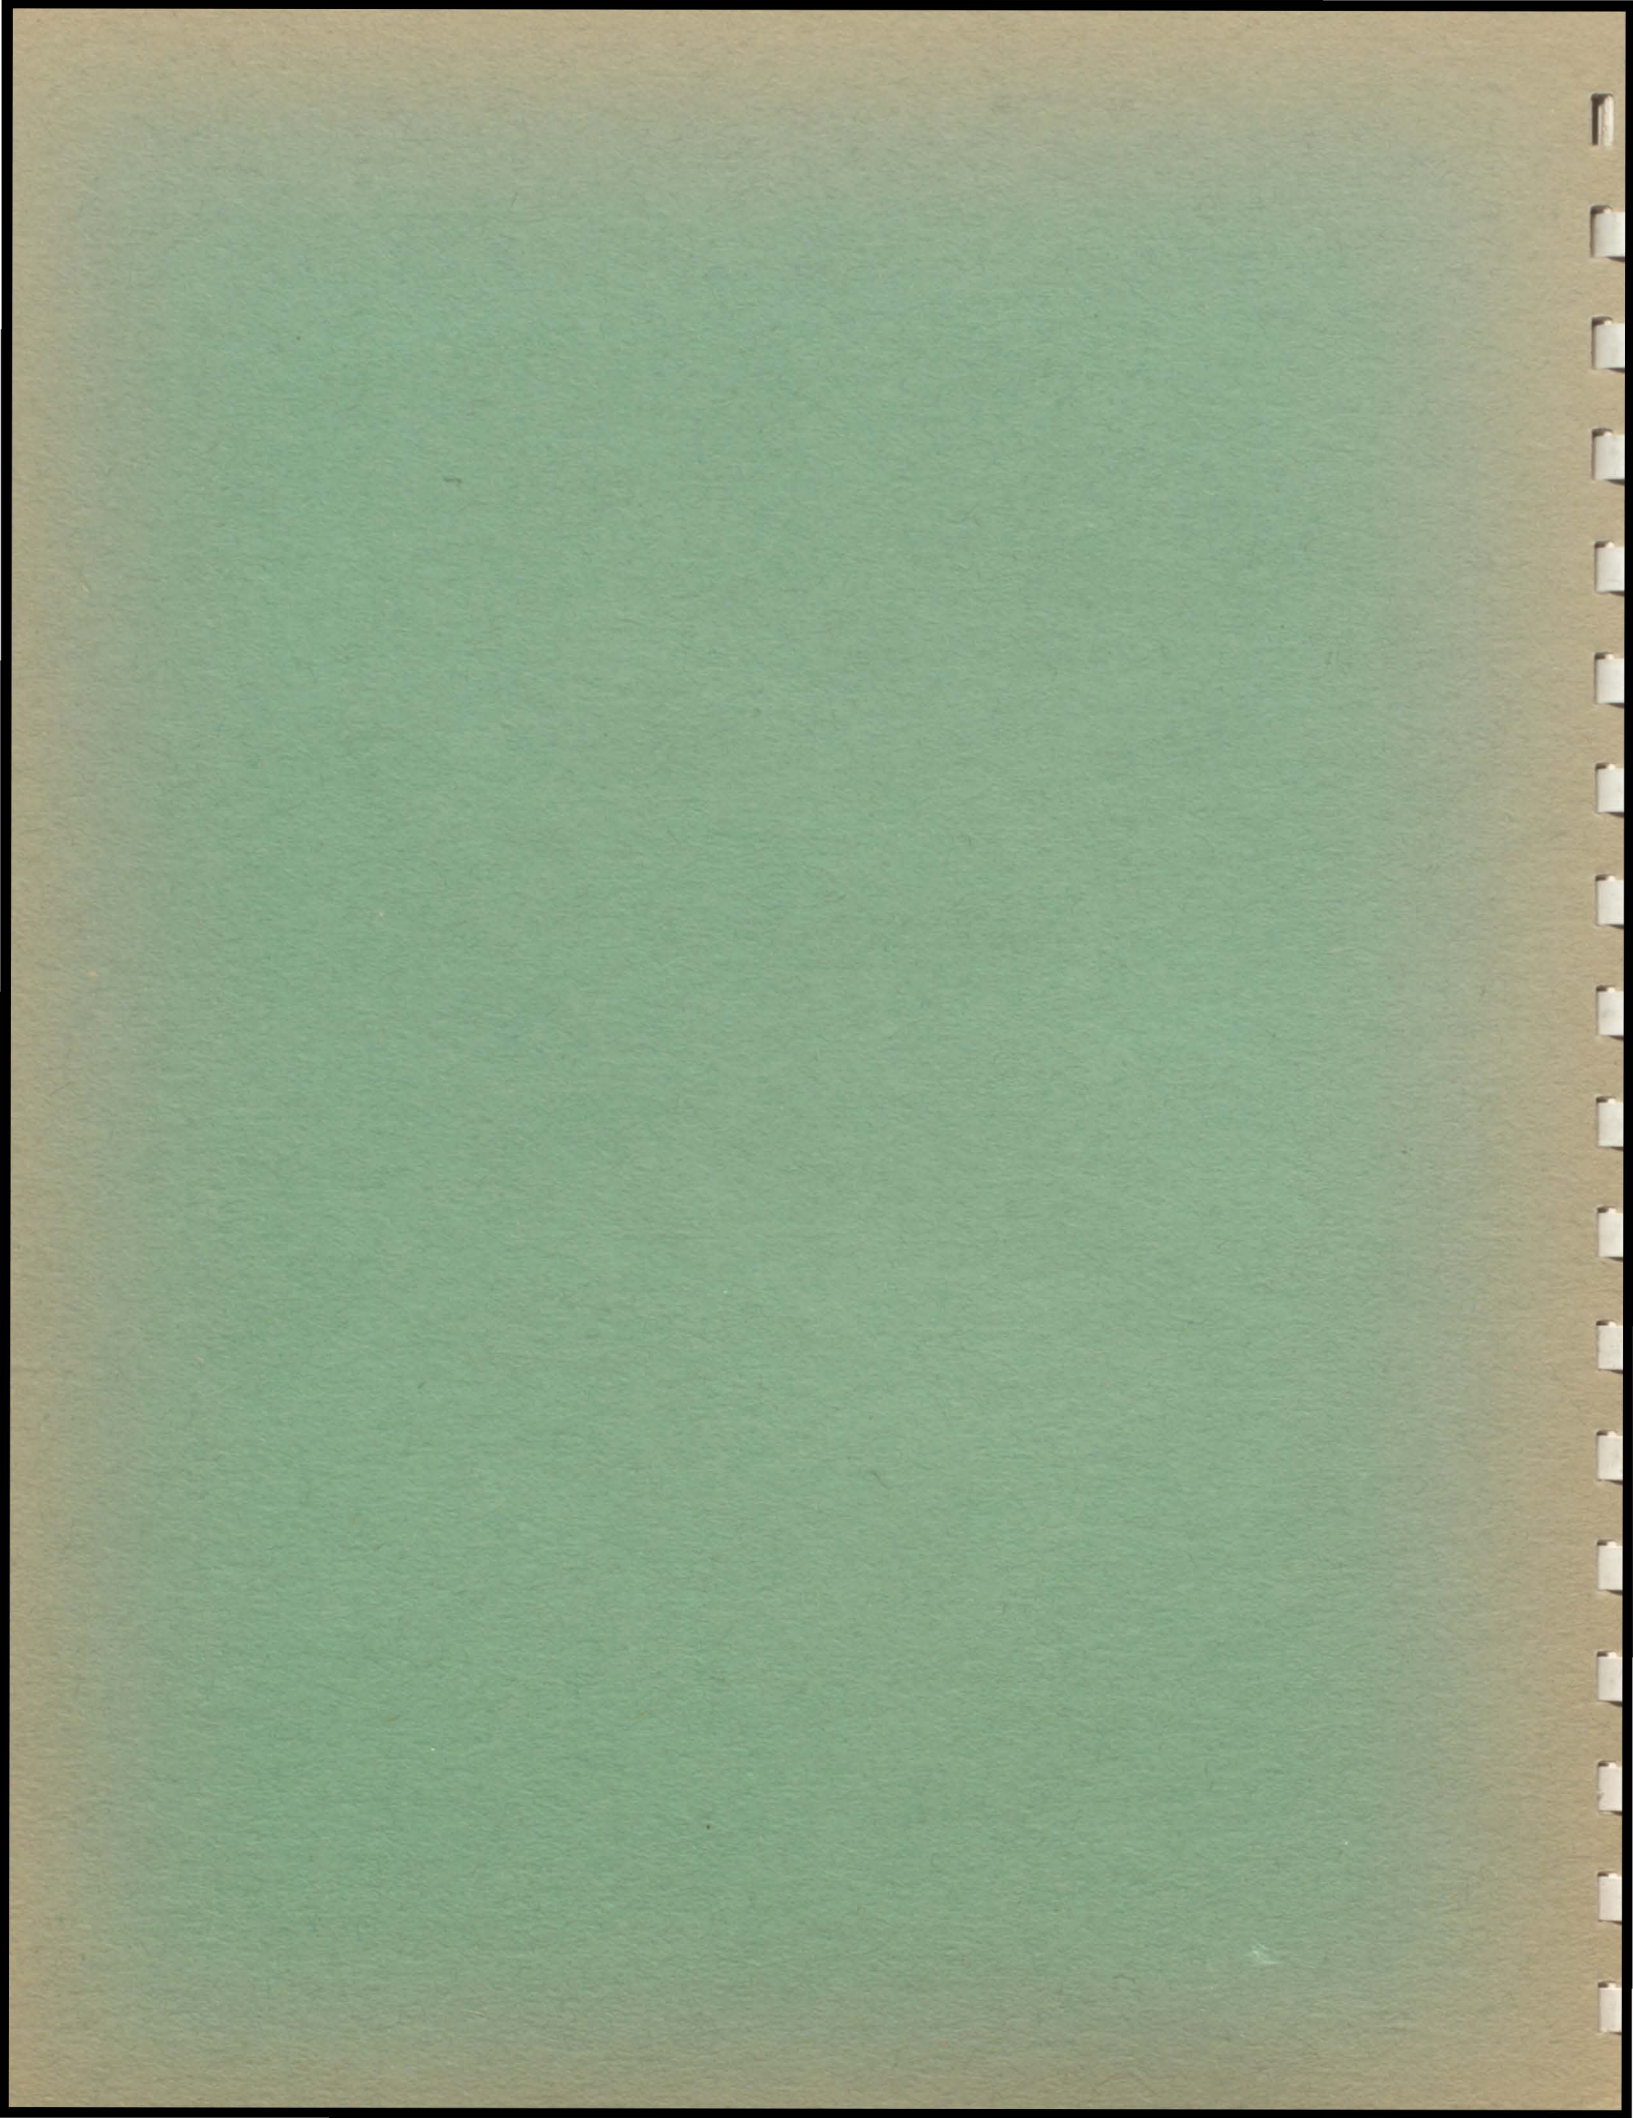

All-Conference Athletes

Because the boys pictured have displayed outstanding ability in athletics and also good sportsmanship on the field of play, they have received the top honor of being chosen as seven of the All-Conference athletes for the 1950-1951 sports season. The honorary team is chosen each year by coaches of the Colorado Valley A League. Because competition is keen, G. C. H. S. is justly proud of its All-Conference athletes.

Clay Kimbrough, All-Conference guard, does not appear in this picture.

Printing Class

The Printing Class is a great asset to G. C. H. S. It prints all the school advertisements and also takes part in editing *The Yampah*.

Yampah Staff

The Yampah Staff, under the direction of Mrs. Stapp, edits *The Yampah*, the G.C.H.S. yearbook.

Publicity Club

The active Publicity Club, under the direction of Mrs. Stapp, published the school notes *We The Students* each week, and edited *The Yampah* for G. C. H. S.

Woodworking

One of the most active classes in our school is the Shop Class. Along with being educational it is full of fun. At the end of the year this group of boys holds an exhibit to present their good work to the public.

Aeronautics Club

Aeronautics Club is devoted to the teaching of the principles of flight and the fundamentals of the airplane.

Dramatic Club

School assemblies, skits, and plays are presented by the Dramatic Club as a result of their study of the theater.

Commercial Department

The Commercial Department of G. C. H. S. does various tasks for the school in addition to giving the students training for jobs in the future.

Home Economics Department

The girls of the Home Economics Department, under the supervision of Mrs. Graves, have learned the art of sewing and cooking besides helping to remodel their classroom. They have also served many banquets for different organizations.

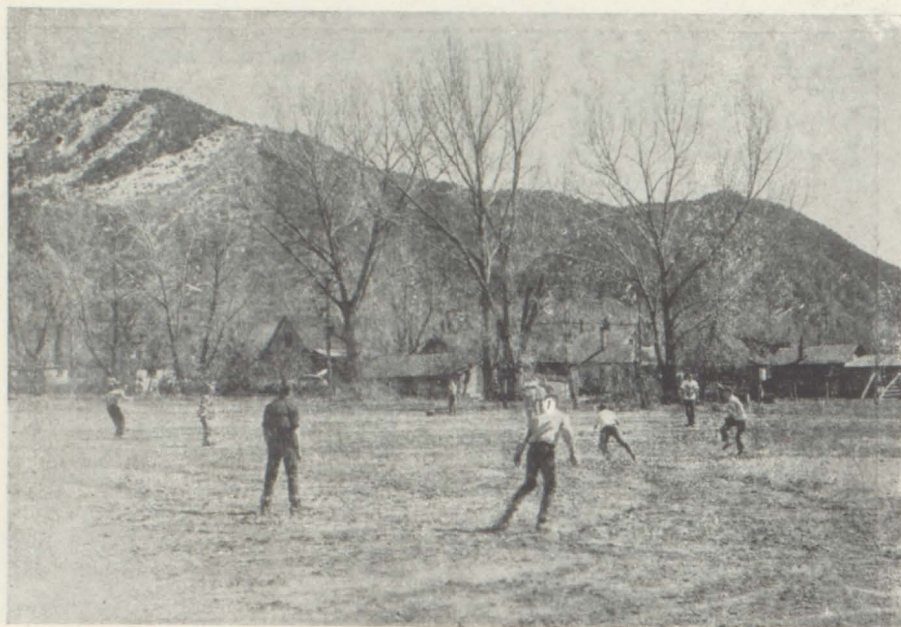

Science Club

The members of the Science Club have been active this year in studying minerals, experimenting with different chemicals, and discussing atomic energy.

Chemistry Lab

Learning by doing is the motto of the chemistry students. This group meets twice a week to carry on experiments.

Boys' Athletics

Under the direction of Nick Stubler, this club is offered to any boy who is interested in athletics. The members participate in various sports throughout the year such as basketball, softball, volleyball, and ping-pong.

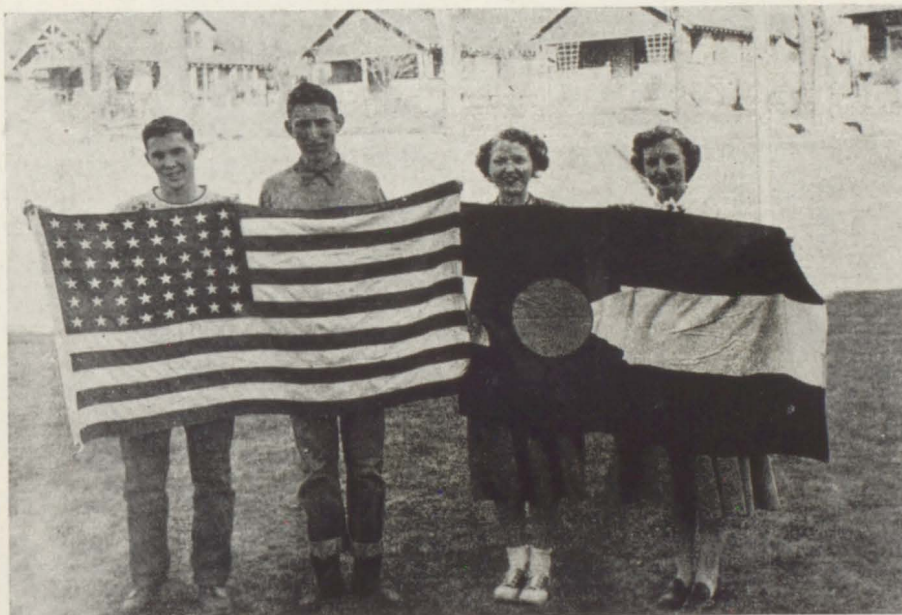

Archery

The technique of the bow and arrow as well as various other sports are learned by the Archery Club.

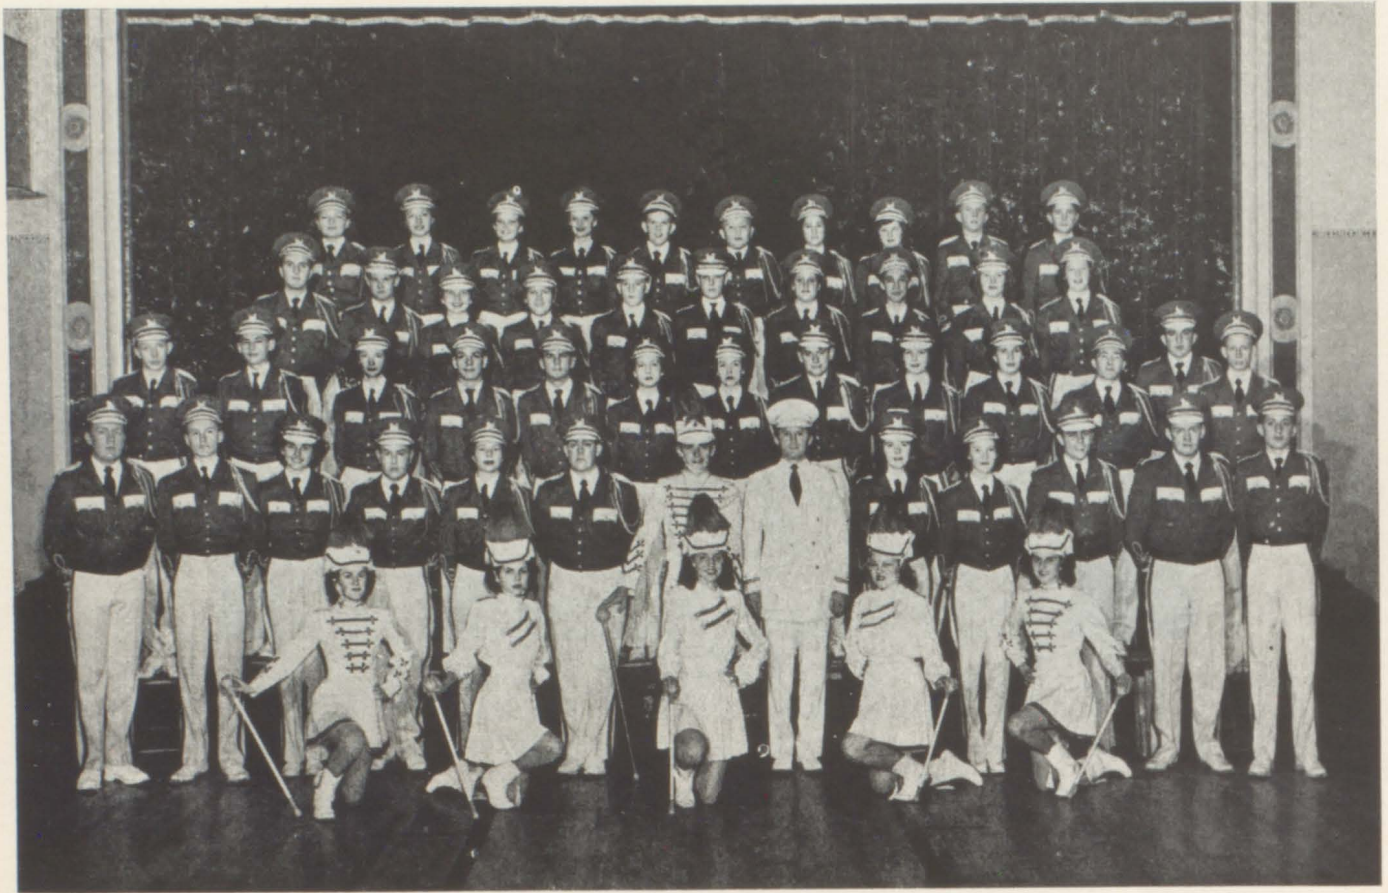

F.H.A.

The Future Homemakers of America have done much in bettering our school this year. Twelve of these girls were honored with a trip to Fort Collins for the State meeting.

Girls' and Boys' State

These four students were chosen as delegates to Girls' and Boys' State because of their records as leaders in G.C.H.S.

Operetta

An excellent cast and chorus from the Glee Clubs created a bit of Ireland with their songs from "The Wishing Well," the 1951 operetta.

Boys' Glee Club

The Boys' Glee Club was very active in spite of the disadvantage of having only one class period a week. They did much group and combined singing this year.

Girls' Glee Club

Under the supervision of Miss Guadnola the 55 members of Girls' Glee Club have gone far with their singing.

Through their good work in concerts and other activities, they were able to purchase beautiful new robes this year.

Girls' Sextette

The Harmonettes, under the direction of Patsy Guadnola, are popular not only throughout the school, but also among the residents of Glenwood Springs.

This cast worked together exceptionally well during the four short weeks of practice and put on a very successful play.

Berta Lee Smith, who portrayed the incorrigible, lovable Montana girl who didn't quite fit into Chicago society, did an exceptional piece of acting.

The part of a wealthy matron was well-handled by Jewel Hoeme, who typified the general character of all those cast in society roles.

The poise and the accuracy with which the entire cast interpreted their parts were commented on by spectators and critics alike.

OUR GIRLS

The three-act farce presented by the Junior Class provided the public with an evening full of fun and entertainment.

The plot centered around Aunt Jessie's extreme dislike for boys which led to the family's deceiving her by dressing the boys as girls.

Under the direction of Mr. Green and with cooperation of the class, the play was very successful.

GLEE CLUB FORMAL DINNER

The good fellowship between students and faculty members, the gala spirit of the Christmas season, and the delicious menu served made the 1950 Glee Club formal dinner held on December 21 the success that it was. The beautifully decorated hall lent to the warmth and cheerfulness of the occasion held at the St. Stephen's Church. After a delicious meal of turkey and the traditional trimmings served by the Catholic Daughters, Nadia Benedeck, president of the Girls' Glee Club, presented Miss Guadnola with a gift from the two glee clubs. Miss Guadnola's impressive speech on receiving her gift set the mood for the singing of Christmas carols by the two Glee Clubs after which the entire group joined in. An enjoyable evening was brought to a close with the singing of "Silent Night".

SADIE HAWKINS' DANCE

The cream of dogpatch society turned out for the annual Sadie Hawkins' shindig.

Dressed in their best, Julia Meredith received the prize for best-dressed girl and Rodney Lewis for the best-dressed boy.

A group of Gopher (Go-for) Girls surprised everyone with a little entertainment and also helped on the stag line.

Admission was charged by the color of hair with prices from twenty-five cents for blondes to five cents for redheads. Stags paid double prices.

Refreshments were served by the Student Council, who sponsored the dance.

SKIRT AND SWEATER DANCE

The first dance of the season, the annual Skirt and Sweater dance, was given to welcome the class of '54. The Grand March was led by Pam Simillion and Jon Gill.

Home made cookies were furnished by the Senior Class, who sponsored the dance. A freshman committee sold cokes during the evening.

CANTEEN COMMITTEE

Under the able direction of Jewel Hoeme, the Canteen Committee spared no efforts to present some very successful post-game canteens. A slight fee was charged to raise money for games and various other needs of the canteen.

HOMECOMING

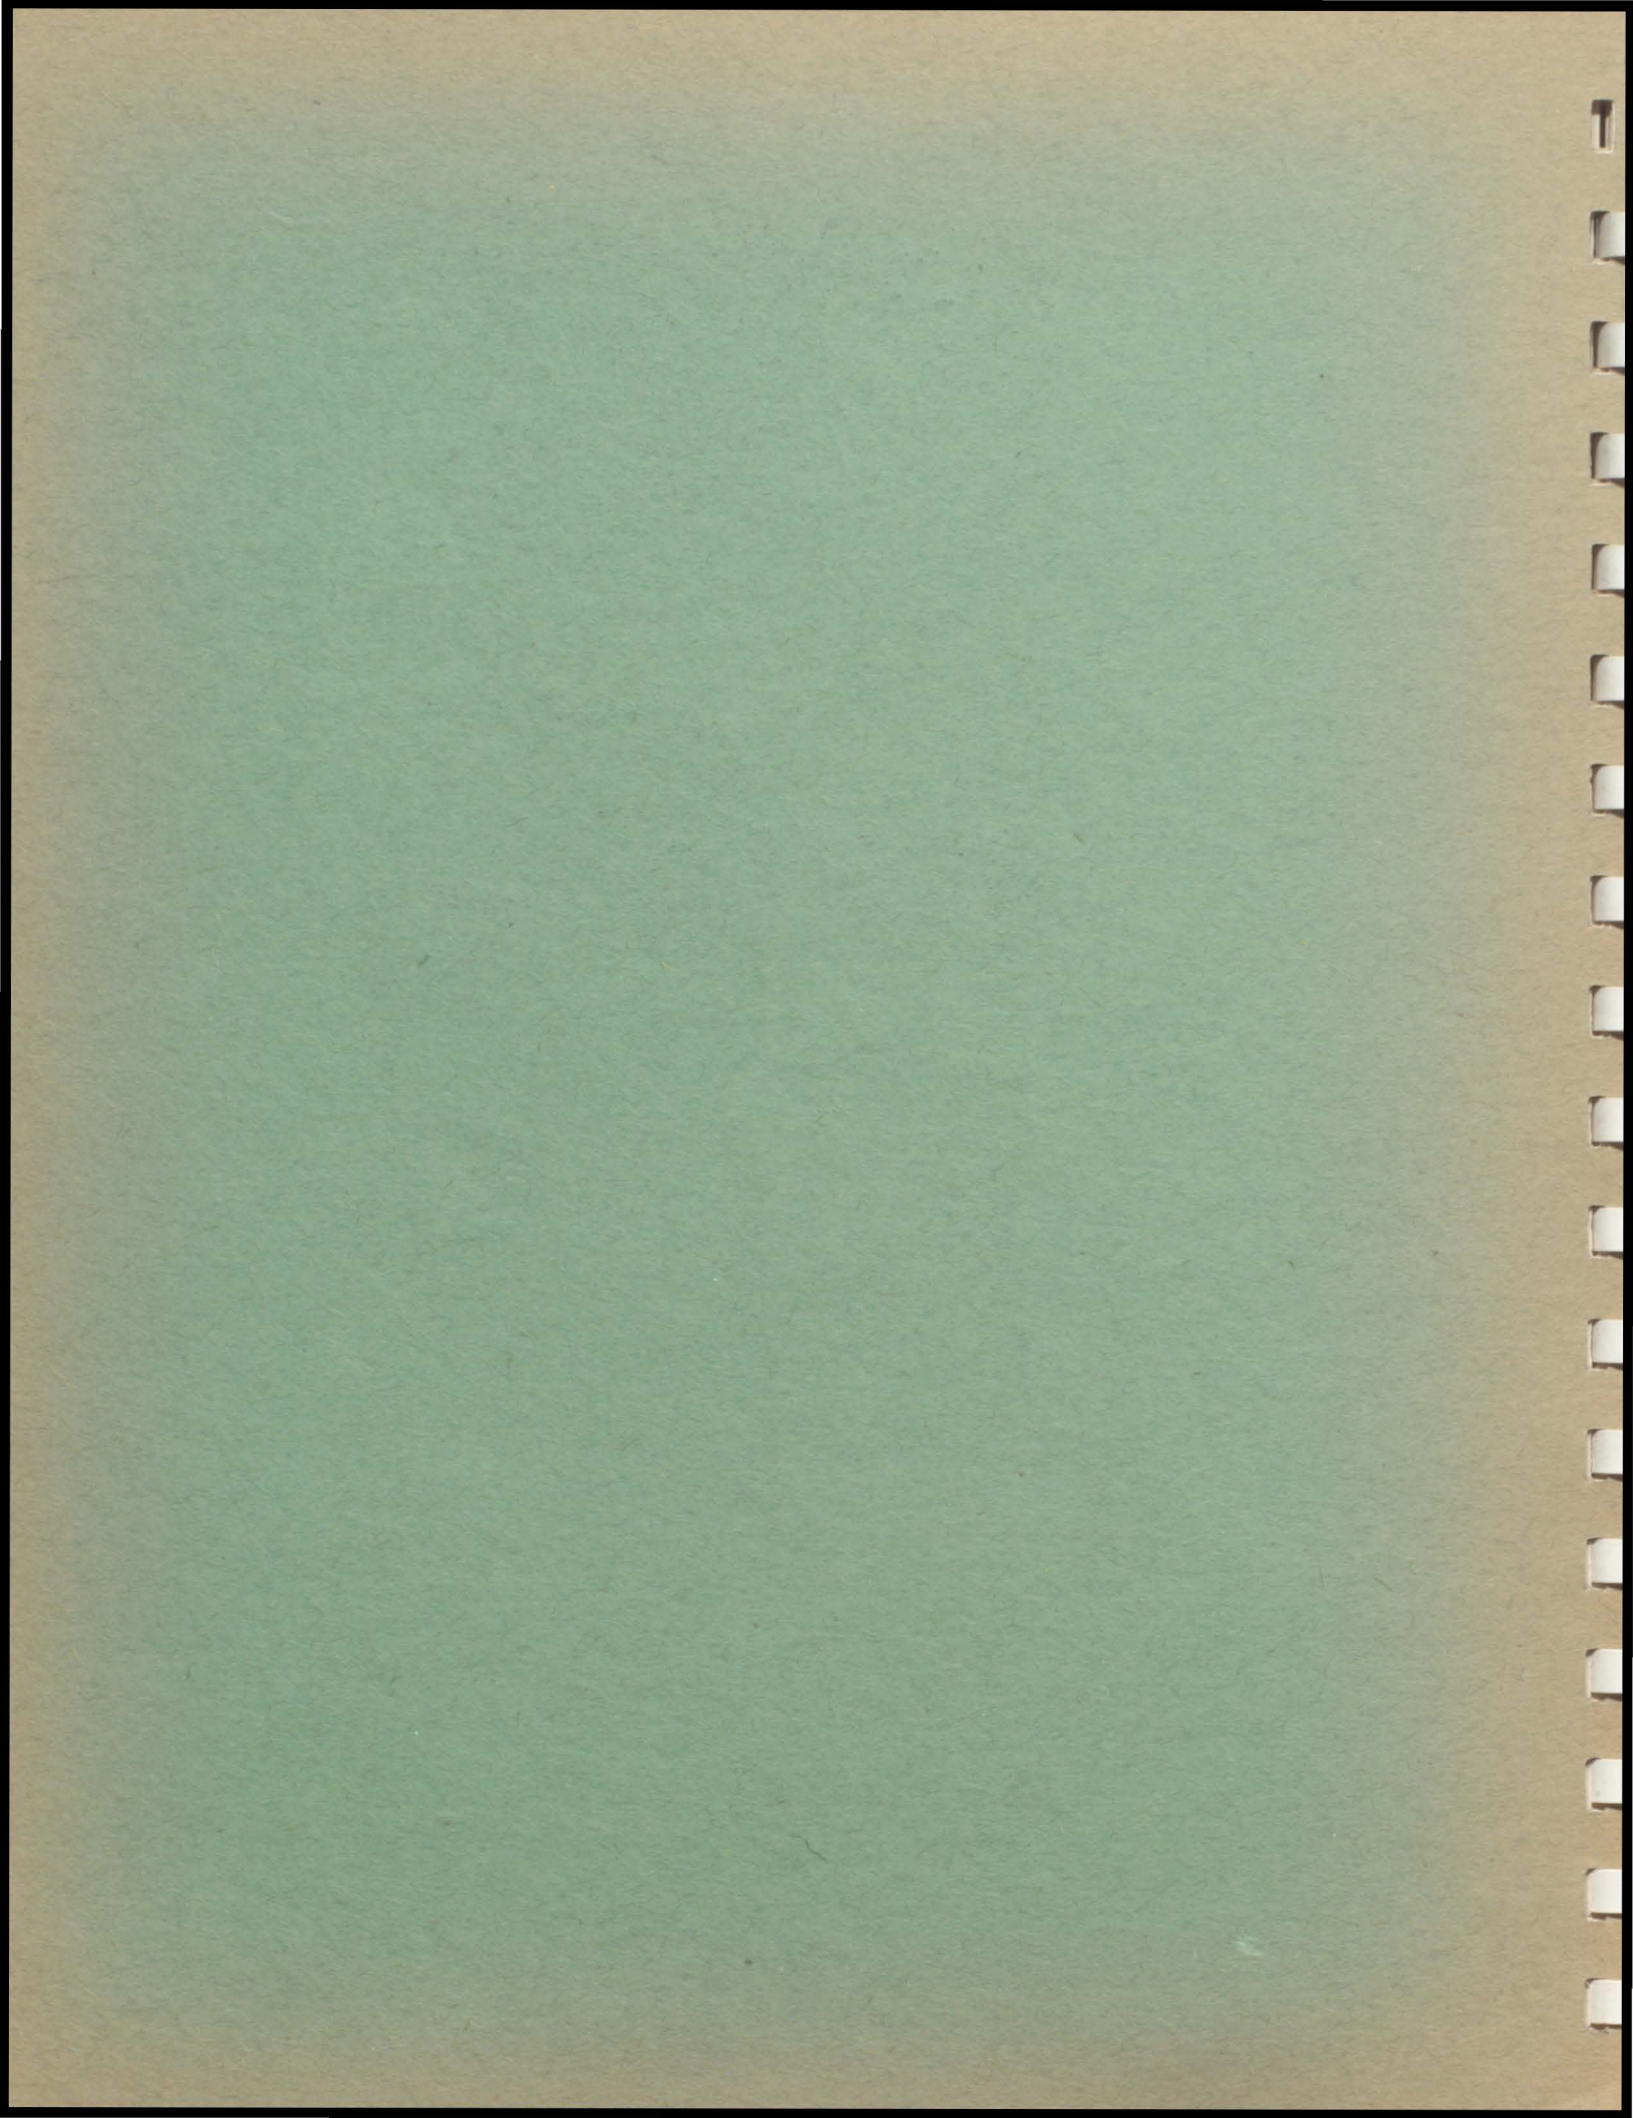

Homecoming 1950 was success with a capital S. The big day, November 10, was complete with rally, football game, parade, and dance. The Freshman class won first prize for an original float; the Seniors came in second; and the F. H. A. float third. The final score of the game, a victory over Paonia, added to the success of the day. Audre McGonegal, Homecoming Queen, reigned at the big dance that evening.

JUNIOR LEAGUE

About 60 boys made up the eight teams which participated in the Junior League games sponsored by the local merchants. Under the coaching of Nick Stubler, the boys met on Mondays and Wednesdays. The games gave every boy interested a chance to play basketball and also helped build future varsity teams.

Football Recapitulation

Meeker

The Demons did not expect to meet such a powerful opponent in the first game of the '50 season. There were many players playing in unfamiliar positions, and the Meeker eleven proved to be too much for the Red and White. The final gun saw the Demons on the short end of a 25-12 score.

Hayden

The Hayden Tigers had more than the Demons expected, for by halftime, they had outplayed them both on the ground and in the air. However, in the last half, the Demons took a commanding lead by scoring nine points in the third quarter and holding the Tigers without a point. It was Hayden's big line that finally drove the Demons back to the goal line and gave them the scoring opportunity. Their only score came by a short delayed pass over center. Score: 9-6.

Palisade

The Demons engaged the Palisade Bulldogs in the first game of the '50 season to be played on Glenwood's home field. While the whole team displayed a well co-ordinated offense, the Demons' forward wall stopped nearly every running play the Bulldogs could launch. A decisive 42-12 victory resulted from the teamwork as the Red and White began to show the qualities of a championship team.

Fruita

Again the Demons got off to a slow start, but recovered and soundly trounced the Wildcats 33-6 in an unorthodox manner. Fruita scored first but were not able to bring the ball across the fifty yard line thereafter. Norman Ross stole the show when he snagged a pass on his four yard line and ran ninety-six yards untouched for a score. This was the first conference game for the Demons.

Rifle

This was the big game as far as the Red Devils were concerned, since Glenwood and Rifle were the strongest contenders for the championship. The scores of previous games indicated that the two teams were fairly evenly matched. Rifle drew blood when Ammerman picked up a loose ball and went all the way for a tally. The Demons managed to score, but the try for extra point failed, the score standing 7-6 all through the third quarter. Just as things began to look doubtful for Glenwood, the Demons' determination began to show itself. The Red and White drove for a second score early in the fourth quarter and then again in the same period to cinch the outcome. The final score, 19-7, was indeed a joyous outcome for the annual "big game."

Craig

The Craig game proved to be one of the easiest of the season for Glenwood as they ran roughshod over the Bulldogs 39-5. Everyone in the backfield scored at least once; one end carried the ball over the goal line on a long pass. Lynn Fey continually punched holes through the Glenwood defense but did not have enough help to score until late in the last quarter. With three conference wins, the Demons had only the Central Warriors between them and the conference title.

Central

This was the only game that stood between the Demons and the conference championship, and the Glenwood gridmen had determined ideas concerning the outcome. Ten of the starting eleven seniors who would be playing their last conference football game for Glenwood, and the 45-13 score indicated the fury with which the Demons attacked their foe. This game ran the Demons' winning streak to six in succession, and also distinguished the Red and White as the top team in the Colorado Valley A Conference.

Oak Creek

Overconfidence, more than the ability of the Oak Creek Miners, held the Demons scoreless for the first quarter, but not much longer. After the Demons realized the seriousness of the situation, they began to work like a well-oiled machine. At the gun, the Demons were on top 49-20.

Football Recapitulation Cont'd

Paonia

Glenwood's first homecoming game was a success by a narrow margin of 12-0. The Paonia Eagles' starting team was considerably larger than the speedy Demon eleven. In this game, the Red and Whites' defensive play stood out along with several long punts by Colohan which kept the Paonia squad from getting too far into Glenwood territory. Neither team scored in the first half, but the Demons tallied early in the third quarter, and then again in the fourth. This game gave the home team fans a chance to see how the Red and White would stack up against the Gunnison Valley Champions, who turned out to be the Montrose Indians.

Montrose

Although the Indians decisively beat Glenwood by a lopsided score of 32-0, the game was not so one-sided as the score indicates. Glenwood outdistanced the Indians on the ground, but it was yardgaining passes that decided the championship. However, pass defense could not stop the unexpected air attack. Montrose beat Lakewood 20-7 for the State Championship.

GRID HIGHLIGHTS OF 1950

As far as the record of G.C.H.S. grid history goes, the team of 1950 stands out in many ways. In conference play, Glenwood had a perfect record, scoring 109 points and holding conference opponents to 33. They have an all-time record of total points for a Demon team in one season which totaled 260. Eight members of the Demon squad were selected for All-Conference.

Basketball Recapitulation

The first eleven on the team of '51 consisted of players with previous varsity or "B" squad experience, with the exception of Marx and Simillion. The others were J. Nutting, Dave Brown, Reid Graves, Norman Ross, Jamie Baker, Don Patch, Bill Boltho, Don Allan, and Bill Colohan.

CARBONDALE-The Demons took unfair advantage of the Carbondale Bulldogs by crushing them 57-26 in Glenwood's Invitational Tournament. In the game determining the tournament champions, the Glenwood cagers dumped the stubborn New Castle five 39-36. Harris of New Castle was the fair-haired boy who kept the game as close as it was.

GRAND JUNCTION The next week the overconfident Red Devils were trounced by a green but determined Junction team. The Demons were unable to show any evidence of their reputed ability and even lacked the indispensable hustle. The final score-Grand Junction, 41-Glenwood 24.

PAONIA-The next night was the same story Paonia took a quick lead at the starting whistle and never relinquished it. The Demons were defeated 38-28.

PALISADE-However, the next week the Red and White were consoled by downing the Palisade cagers in a one-sided affair. The game was rough, two players being expelled from the game. The Demons gloated over their 40-21 victory.

LEADVILLE-Glenwood traveled to Leadville the next week to beat the seven Leadville players 42-31. The Demons sneaked away from Leadville safely, but piled all three of their cars up before getting off Battle Mountain.

FRUITA-The first conference game seemed to be one of the easiest of the season for the conquering Demons. The Fruita Wildcats were bewildered by their fast scoring attack and were trounced 57-30.

RIFLE-The first Rifle conference game proved to be the most exciting of the year. Both teams played a deliberate ball control game with each pass and shot counting in the final score. The Demons had gradually worked up a four point lead by halftime. The Bears shortened the gap in the score but remained behind until late in the fourth quarter. Then all hell broke loose. The Bears took the lead and then the Demons regained it. With two minutes to go, the Red and White were ahead 29-28. The Bears took the ball, scored a field goal and a free throw, the result of a technical foul. The Blue and Gold matched our free throw and won the game 32-30.

LEADVILLE-The following night, the Demons turned the Leadville Panthers every way but loose. It was Glenwood's hot night of the year, but they lacked competition. The second string played most of the game and came out ahead 54-30.

PAONIA-The Demons played host to the Paonia Eagles, who were at the bottom of the Gunnison Valley conference. The home team maintained a nearly constant lead, and were victorious 41-35.

CENTRAL-The outcome of the Central game was an important factor in the final league standings. Had the Demons won, they would have been tied for first with Rifle, but the Warriors upset the Red and White 36-37, and Glenwood chose to go to Delta in third place instead of playing off the second place tie with Central.

MEEKER-The Meeker Cowboys ventured to Glenwood to meet the Demons on the home floor. The Cowboys stayed within conquering distance of the Demons during the first half, but were overpowered by the warmed-up Demons during the last two quarters. The final score, 38-23, proved a decisive victory for the Red and White.

Basketball Recapitulation

RIFLE-The Demons' next home game, a conference tilt with Rifle, resulted in a victory which was inspired by a previous loss on the Bears' home court. Glenwood's smooth working offense, coupled with a strong defense, was too much for the visiting Blue and Gold. The Demons were never hard-pressed, and the game ended with Glenwood sufficiently ahead by 16 points. The final score was 49-33.

CRAIG-The home team traveled to Craig for their first meeting with the Craig Bulldogs. Glenwood, who was considerably favored, was upset by the hustling Craig team. The Red Devils were beat in the final minute of play after two of the first five fouled out. The slim 3 point margin was sufficient for providing Glenwood with its second conference loss.

FRUITA-Fruita was the home team as the Red and White traveled once again. Glenwood was favored over the Wildcats; this 42-35 win was not easy for the Demons, however, as the Wildcats fought hard for the ball all the time. The Fruita fans saw their home team beat by a 2½ minute stall by the Demon quintet.

DELTA-After the Fruita game the Glenwood team stayed at Grand Junction on a Friday night and then journeyed on to Delta the following evening to engage in a practice game with the Delta Panthers. Both teams were missing a great percentage of their shots and the half time score was a tie of 12-12. The pace remained nearly the same in the last half, but the Panthers had gained a two-point advantage when the final gun sounded. The final score of 23-25 was rather insignificant as both teams maintained a lead several times during the game.

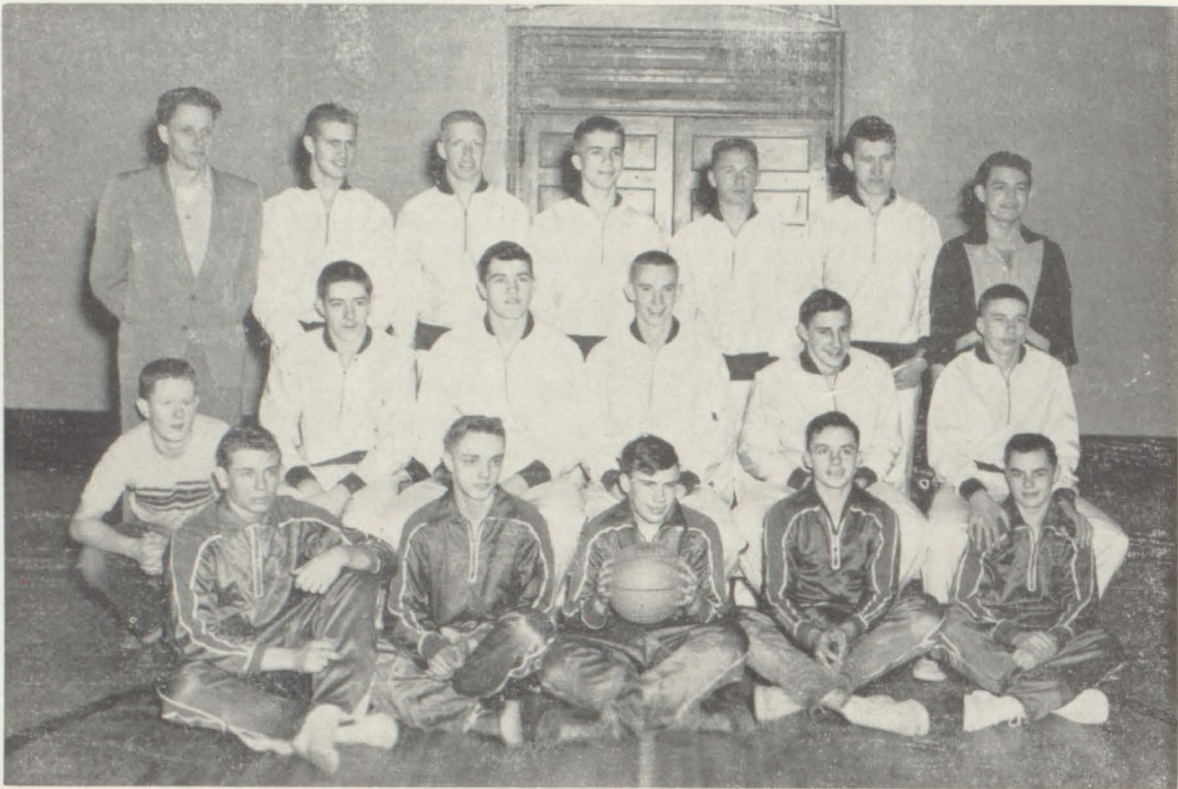

CENTRAL-The next conference game proved to be an easy one. The Central Warriors were working well up to the fourth quarter. Their whole team seemed to blow up at once and the Demons began a scoring spree. The Red and White applied a successful stall throughout the last five minutes and were on top at the end, 38-22.

MEEKER-The Demons embarked to Meeker for their fourth consecutive game to be played away from home. The Red and White were once again confronted by a hard fighting quintet when they met the Cowboys. The score was close for three quarters, and then Glenwood managed to build a five point lead in the last stanza. With this lead, the Demons began stalling and building up their lead until the final score was 41-34.

Delta Tourney

Montrose

In their debut at the Delta Tourney, the Glenwood Demons met the Montrose Indians, who turned out to be the team of destiny. By pitting hustle against height, the Demons stole more than their share of rebounds from the towering Indians.

The hustling Demons showed signs of tiring late in the third quarter and the Indians surged ahead. Glenwood staged a desperate rally near the end of the game, but still remained behind 56-50 at the final gun.

The Indians remained undefeated until they were upset by Brighton in the Class A Final at State Tournament.

Paonia

The Demons, now in the consolation bracket, met the Paonia Eagles, Saturday at 9:30 a.m. Paonia jumped into an early lead which they maintained throughout the game. The closest Glenwood ever came to victory was a hopeful 6 points from the Eagles. The final score, 48-37, put Glenwood out of the Tournament and set the Eagles on the way to their consolation championship.
