the

1965 YAMPAH

GLENWOOD SPRINGS HIGH SCHOOL GLENWOOD SPRINGS, COLORADO

Glenwood Springs High School students find themselves with certain basic hopes and obligations as they progress through school. Perhaps the most important of these is making their particular class one of which they may be proud of by fulfilling their individual duties. A superior class features scholastic improvements along with active participation by each member in class sponsored activities.

We believe the success of the entire high school is very dependent upon each student's desire to make his class an improvement on the one before it.

The Yampah Staff of Glenwood Springs High School proudly dedicates the 1965 yearbook to Mr. Robert Chavez. Mr. Chavez has distinguished himself as an outstanding elementary teacher at the Glenwood Springs Elementary School, where he has taught sixth grade for the past seven years. In addition, Bob Chavez has been the Glenwood Springs High School Basketball Coach for six years, and has taken five of his teams to the State Tournament in Denver.

During the 1964-65 basketball season Mr. Chavez was selected as the Outstanding Coach of the Year of the Northwestern AA League. Our most sincere congratulations to Mr. Chavez for a successful teaching and coaching career.
