- 12-21-11 Arvada is without doubt the best suburban town around Denver and while everything is so awfully dull in the city, the business men of our little city have been steadily plodding along with business increasing a little all the time and few, if any, kicks are being registered about the condition of things. Of course there is no boom in Arvada and we might say now that we are not looking for one, but there is a steady growth to our city that is gratifying to our citizens from the fact that it is of the substantial nature that builds large cities.
- 12-21-11 All the Arvada churches will have their Christmas exercises Saturday night and the little folks are eagerly awaiting for the arrival of Santa Claus.
- 9-1-11 Resources of 236,770.19 and liabilities of 236,770.19 was declared by the First National Bank of Arvada
