Mr. Samuel Browne,  
The Bright & Browne Lateral Ditch Co.  
Route 1, Box 450  
Arvada, Colo.

Dear Mr. Browne:

J. Helen Romine represents that she is the owner of ten shares of the capital stock of the Bright and Browne Lateral Ditch Company. We have discovered that she was back in her assessments with the Farmers High Line Canal and Reservoir Company. I would therefore be pleased if you would forward to me a statement of any charges owing on account of stock owned by her.

Very truly yours,

*Howard Roepnack*
