Otto G. Schneider, Secretary,  
The Bright and Brown Lateral Ditch Company,  
R. F. D. No. 1,  
Arvada, Colorado.

Dear Mr. Schneider:

This is just to confirm our telephone conversation  
of recent date;

If you will look on your list of the Bright and Brown  
users, you will note 1/4 share standing in the name of  
John E. Meier, later sold to C. T. Keahey, and this is  
to advise, that this stock has been purchased by another  
person than the one who owns the land, and is not being  
used at the present time, so there is no water being  
delivered to the Bright and Brown Lateral on this 1/4  
share of High Line stock.

Yours very truly,

*Olive T. Lewis*  
Secretary.

OTL.
