We are searching for the marriage date and obituaries of **Herbert Leroy Johnson**, b. 4-22-1888, d. 8-19-1960 and **Minnie Lee Kemper Johnson**, b. Oct. 21, 1891, d. Feb. 14, 1973. They lived in Limon, CO., Lincoln Co., and he died in Hugo, CO. We will appreciate any help or references you can give us. I have found quite a bit on Kempers, but nothing with her marriage info. Thought maybe their obituaries might have info about where and when they married. It would have been about 1928. Thanks.

Subject: Brass Bamd about 1907?

I am new to this list but had a question I hope someone may be able to answer for me.

My 2GG was George William BROWNEWELL who lived in Limon around 1907 or so. Family legend has it that he was a member of a large brass band there during that time. Would anyone have an idea what group that might have been with? I have a photo of him in his band uniform and I would like to know something more about it.

Thanks,
Kathy

I'm searching for information on my family. I've been to the Lincoln County website to try and find information on the Levi family but have had no luck. I have found out from other sources that my great grandfather - **Oliver E. LEVI** and my great grandmother - **Anna E. Hopkins LEVI**, along with some of their children, moved to Arriba, Colorado after 1907. I know that both Oliver and Anna Levi both passed away while living there. My question is, how do you go about finding a list of records that exist before ordering a death certificate and paying the fees. I would be happy to pay for records if I knew that they existed. Is there anyway that you might be able to give me a direction to go in or help me find information on these members of my family. Anything would be greatly appreciated.

Sincerely,
Andrea Urban

Hi. I am Dolly Hawks, from Montrose. My mother is **Alice Mae Monahan** (maiden name) who was born in Hugo in 1922. We are doing some research on her mother's branch of the family. Mom still has several cousins in Hugo, and I could ask them to do this but they are older now and not in good health so I thought I would talk to you first. What I need is the obituary for **Laura Bell Randall Keepers**, wife of **Stephen Ellsworth Keepers sr.** She was born in Ohio in 1878 or 1880, and passed away in Hugo in 1940 I think. could have been 1942. you know how things get scrambled. If I could get either her obit or death cert, it would give me some needed info. Also, I think her father is buried there in Hugo in the not catholic cemetery, his name was **William H. Randall**. Again the obit or death cert would help immensely. If you could find the obits for me, I would be forever in your debt, or if not, let me know and I'll write to the court house. It's probably \$15.00 for Death Cert, (it is here) but I would need to ask them what ID would work through the mail etc.

Appreciate your help. Mom's family was the **Monahan/ Cliffords** on her dad's side, and the Keepers/?? on her mom's side. They have lived in or near Lincoln county since 1850.

I am seeking information about **James Muir GRUER**, who died June 09, 1902 near Bovina, Lincoln County. I have a copy of his death certificate, which states he was buried on Gruer Ranch near Bovina. I believe he came to Colorado from Canada between 1876 and January 1889, when he married Libbie McGill near Denver.

I am trying to find out if there are any records from 1912-1925 having to do with land records, school records, etc. for William, Anna, Evelyn and Clarence **BRESSLER** in Lincoln County. My grandfather is Clarence **BRESSLER** and his father was William **BRESSLER** his mother was Anna **BRESSLER** and his sister was Evelyn **BRESSLER**. Evelyn went to college in Greeley, Co. I am not sure if the college at that time was called Greeley College or not. The information that I know about these members of my family is limited, but maybe it will help you. My great grandfather and grandmother William and Anna **Bressler** moved from Sterling, Illinois around 1910 to homestead just about 1-2 miles south of the creek (don't know the name) in southeast Lincoln County, CO which I think puts there farm about 10-15 miles north and a bit west of Haswell, CO. My grandfather said that to this day there is a farm owned by David **Ansley** a couple miles north of where my great grandfather's farm was. My grandfather said that his mother, Anna went back to Sterling, IL in 1912 to give birth to him and then she brought my grandfather back to Lincoln, CO a short time later. Anna died around 1920 and my great grandfather took her back to Illinois to bury her. It must have been soon after that my great grandfather moved back to Illinois permanently. At that time, my grandfather, Clarence stayed in Colorado and lived with his sister Evelyn and her new husband William **McFalls**. Clarence, my grandfather moved back to Sterling, Illinois to live with his father again around 1925-26. If you can provide any information about their time in south Lincoln County, we would be grateful.

They lived in Hugo, Colorado and then migrated to California in the late 1930s to early '40s. If anyone has any information regarding them, please let me know. My mother is looking for any information regarding any land or mineral rights that may still be in effect. marleemorgan@yahoo.com
